Circular No. 2123—*T. A. D. I.* 487, *dated* 11*th December* 1909.

To—The Heads of Offices and Departments, and Deputy Commissioners, Treasury Department.

Sir,—I have the honor to state that the system of drawing and accounting for money required for contingent expenditure is not clearly understood in some offices, and detailed bills in support of abstract contingent bills are not submitted within the time allowed. The items awaiting clearance in the objection books of my office are swelled in consequence, and I request that Heads of Offices and Departments will co-operate with me in effecting their adjustment promptly.

2. The certificate printed on the back of the abstract contingent bill (form Financial 22) requires the submission of detailed contingent bills for all contingent charges drawn prior to the 1st of the month in which the bill is presented at the Treasury for payment, if it is presented after the 15th of the month. The object with which this certificate is insisted upon is to ensure the submission of detailed bills for all abstract bills drawn in any month before the 15th of the following month, and this object is frustrated if, when such detailed bills are due, abstract bills are presented at the Treasury for payment between the 1st and 15th of any month. It has been observed in some cases that the drawing officer has signed the certificate though detailed bills in support of the abstract contingent bills drawn had not been sent to this office as therein required. The following are a few of such instances noticed by this office during the course of audit of these bills:—

1. E. C.—Dates of abstract contingent bills for August and September 1909 charged in the 2nd list with the certificates on the reverse are 20th August 1909 and 20th September 1909, while the date of the detailed contingent bill for July 1909 is 2nd October 1909.
2. S. G.—Out of the amounts drawn in June 1908, details for Rs. 1,350 have not till now been furnished, but several abstract bills have been drawn after that with the certificate attached.
3. D. C. M.—The detailed contingent bill for December 1908 is dated 26th March 1909, though in the abstract contingent bills for February 1909 cashed on 27th February 1909, the usual certificate has been furnished.
4. D. C. S.—The detailed contingent bill for May 1909 is dated 24th August 1909, though in the abstract contingent bill dated 30th June 1909 the usual certificate has been furnished.

3. The note printed at the top of the bill and the note on the reverse thereof are defective. In accordance with the note, as now printed, the Treasury Officer cannot object to pay abstract contingent bills presented between the 1st and 15th of any month though detailed bills for sums drawn during any of the preceding months may not have been sent. The words "it bears date subsequent to the 16th and" in the note on the top of the bill will therefore be omitted in future, and the following substituted for the note on the reverse of the bill:—

"*Note.*—The following certificate must be signed in all cases. If the bill bears date within the 15th of the month, the word '*Current*' may be changed to 'last.' The Treasury Officer shall refuse to encash a bill unless the proper certificate is signed."

4. Due intimation will be given from time to time, to the Treasuries, of the offices which do not submit their detailed contingent bills in time, and the payment of further abstract contingent bills stopped till the detailed contingent bills are submitted.

5. Should the Head of an office, for any reason, anticipate delay in furnishing a detailed bill for any unusual or special charge, he will apply to this office for extension of time for submitting it when the Treasury will be duly apprised of the fact and instructed to pay the officer's abstract contingent bill up to a specified date on the production of a certificate modified in respect of the special items. Such cases, it need hardly be observed, will necessarily be few.

6. The Superintendent of the Government Press will be requested to make the alterations noted in para 3 *supra* when next printing the form of the abstract contingent bill. The Heads of Offices are requested meanwhile to see that the alterations are made in manuscript till new forms are supplied by the Press.

7. The Treasury Officer should see that the above instructions are strictly observed and that the certificate on the back of the bill is in the proper form as provided for in para 3 *supra*.

I have the honor to be,
Sir,
Your most obedient servant,

J. S. CHAKRAVARTI,
Comptroller.

5. Read Government Order No. 1432-9—L. B. 52-09-1, dated 10th August 1909, requesting the Presidents of District Boards to suggest in consultation with the District Board, any additions to or alterations in clause (*f*) of para 132 of the Local Board Regulation enjoining that certain items of revenue derived from a Union shall be wholly appropriated for purposes of Unions

Resolution.—The Board is of opinion that Rule 131 (*e*) which lays down that the net proceeds of house tax and license fees in Unions shall be wholly appropriated for the purposes of the Unions, requires no alteration. They further opine that separate accounts should be maintained in the District Office showing the receipt, expenditure and the balance available at the credit of the Union and that the District Board should be under an obligation to meet from the above balance any expenditure which, on the recommendation of the Union, may be deemed by the District Board to be necessary and essential for the improvement and benefit of the Union.

8. Read Government Order No. 8389-96—L. B. 216-08, dated 27th February 1909, proposing to lay down a certain procedure for drawing and disbursing the travelling allowances claimed by the non-official members of the Board and requesting the President to obtain the views of the District Board as to the suitability or otherwise of the proposed procedure.

Resolution.—The Board is of opinion that the procedure proposed by Government cannot be adopted as the members cannot anticipate the expenses of their return journey or the dates on which they might perform the journey.

To avoid delay in the preparation and submission of the bills of the members, the Board suggest that each member should send his bill with the necessary particulars and certificate to the President before the end of the month following that of the meeting and that the President should then prepare and send up a consolidated bill for audit. The audited bill will, on receipt by the President, be cashed and the amount either forwarded to the members by money order or paid to them at the time of the ensuing meeting whichever may be more speedy or convenient.

9. Read correspondence ending with docket No. 313, dated 5th November 1909, regarding the conversion of Police lines at Shivane into an inspection lodge.

Resolution.—The Board is of opinion that at present no musafirkhana is required at the Shivane Railway Station that the Police line building will not be of much use to the public, if converted into a musafirkhana, and that it is therefore not prepared to take charge of the building to serve the purpose of a musafirkhana.

REVENUE DEPARTMENT.

Circular No. 7212-9—1, *dated* 13—24*th January* 1910.

Government Order No. R. 2622-5—Ft. 40-07-4, dated 5th November 1908, *re* misappropriation of moneys collected by persons entrusted with the work of serving revenue processes received from other taluks.

It is observed from the reports received from districts that in many of the taluks kotwals of travellers' bungalows and such other officials are often entrusted with the work of serving notices of demand, etc., received from other taluks and cases have also been reported wherein such officials have misappropriated the amounts paid to them in the course of the service of such processes by the parties concerned. The Revenue Commissioner is led to infer that these misappropriations are more or less due to a defect in the system of taluk work, the particulars of such notices and processes received from other taluks being neither entered in a separate register nor in the one kept for the taluk itself.

The following instructions are accordingly issued for future guidance :—

A register in the appended form showing the notices and processes received, and the action taken thereon shall be maintained in every Taluk Office and any particulars appearing on the process after its return from service should be entered in brief in the 'Remarks' column of the register. The Taluk Sheristadar should check the register as often as possible and see that the processes are promptly served and returned to the taluks from which they have issued.

Care should be taken to see that in issuing demand notices revised forms ordered on Government Order No. R. 1-10—L. R. 200-07-6, dated 1st July 1908, are invariably made use of to guard against the payment of the arrears to the persons serving the notice.

Notification No. 7275, *dated* 21*st*—25*th January* 1910.

The fifteen days' privilege leave granted to Mr. C. Narayana Rao, Amildar of the Manjarabad Taluk, in this office Notification No. 6960, dated the 12th January 1910, is hereby extended by twelve days.

During this period, the arrangement already ordered will continue.

MAHOMED OBEIDULLA,
For *Deputy Commissioner.*

Notification dated 18th January 1910.

It is hereby notified for public information that the undermentioned Jodi village, which has been duly attached in satisfaction of the arrears of revenue due to Government (as shown in the subjoined statement) by the said Jodidars, will be sold by public auction at the place and on the date mentioned in the annexed statement. The sale will commence at 11 A. M. on the date specified, and the village will be knocked down to the highest bidder without reserve.

2. Provided that when a village is divided into separate recognized vrittis, the Deputy Commissioner may, at his option, instead of selling the village as a whole, sell each vritti separately.

3. The purchaser will be required to deposit twenty-five per cent of the purchase money at the time of sale, and where the remainder of the purchase money may not be paid within fifteen days from the day of sale, the money so deposited shall be liable to forfeiture.

4. When such deposit shall not be made, nor the remaining purchase money paid up, the lands shall be resold at the expense and risk of the first purchaser.

5. Persons bidding at the sale may be required to state whether they bid on their own account or as agents, and in the latter case to deposit a written authority signed by their principals, otherwise their bids may be rejected.

6. The sale shall be stayed, if the defaulters or any other person acting on their behalf or claiming an interest in the land, tender the full amount of the arrears of revenue with the interest and other charges, before the property is knocked down or give satisfactory proof that the amount of arrears, etc., has been paid up or furnish security under Section 170 of the Mysore Land Revenue Code.

7. Purchaser having completed the payment of the purchase money will, as soon as the sale has been confirmed, be placed in immediate possession and the village will be registered in the name of the purchaser and a certificate of sale, signed and sealed by the Deputy Commissioner, will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description and in estimated extent.

8. Provided, parties deeming themselves aggrieved by the sale shall be at liberty to appeal to the Government within ninty days from the day of sale and the purchase shall be conditional on the final order in such appeal.

Leaving the pond "Filter Honda" to the right, it takes a north-western course along the western boundary of Survey No. 153 of Haliyur village and then passes along the Honnali-Shikarpur road touching the western boundaries of Survey Nos. 145, 143, 142, 141, 140, 139, 138, 137, 136 and 135 of the village. It then turns eastwards along the northern boundary of Survey No. 129 and enclosing Survey No. 125, it goes in a northerly course along the western boundaries of Survey Nos. 124, 123 and 122 and meets the road coming from Masur.

N. B.—All the Amildars and Deputy Amildar, except the Amildar of Davangere, were present.

I. Read list of incomplete works of previous year requiring appropriation for their completion during the current year.

Resolution.—A large number of works sanctioned in connection with distress remained incomplete at the close of the year, and in view of their importance and the large outlay incurred thereon, the same have to be pushed on to completion in preference to the budgetted works of the current year. But as the amount of Rs. 2,250 sanctioned for incomplete works in the current year's budget is hardly sufficient to meet the said charges, an additional sum of nearly Rs. 5,000 has to be appropriated from the provision of Rs. 10,048 made for new works under B I and B II, due consideration being given for the execution of only the most urgently needed of the budgetted works out of the remaining amount of the total grant.

Resolved nem con that the list as now revised be approved and submitted to Government for sanction.

II. Read letter No. 10214—Agri. 54-08-18, dated 2nd June 1909, from the Secretary to Government, calling for the views of the District Board regarding the distribution of the special grant of Rs. 5,000 sanctioned in February 1909, for the collection of metal and gravel on certain Provincial and District Fund roads in view to afford employment to the local population.

Resolved that the amount expended on Local Fund roads, *viz.*, Rs. 2,391, be adjusted in five years.

Resolution.—The amount provided for the purpose in the District Fund budget for 1909-10, will be placed at the disposal of the Public Works Department as District Fund quota towards the cost of constructing the proposed quarters for the Hospital Assistant and midwife at Hiriyur.

IV. Read docket No. 2614-21, dated 26th November 1909, from the Senior Surgeon requesting to provide funds for the construction of quarters for Hospital Assistants and midwives at Chitaldrug (Female Dispensary) Harihar or Davangere during the year 1910-11.

VI. Read Government Proceedings No. 3240-9—L. B. 37-09-3, dated 2nd October 1909, requesting that the additional amount required for expenditure on account of the maintenance charges of the Veterinary Hospitals during 1909-10, may be provided by the appropriation of the sanctioned grants under other heads.

Resolution.—Rupees 75 and Rs. 50 have been provided in the current year's District Fund and Municipal budgets, respectively, towards veterinary charges. As the Chitaldrug Municipality is not in a position to bear any additional charge as required by the Revenue Commissioner, the extra amount of Rs. 125 now proposed may be met from District Funds, necessary re-appropriation therefor being effected out of the sanctioned grant of Rs. 8,032 under C. X. Miscellaneous.

Circular No. 9—P. W., dated Bangalore, 26th January 1910.

To—All Executive Engineers, Sanitary Engineer and Chief Electrical Engineer.

As the requisitions at present made by various disbursing officers to the undersigned for payments to firms or other agencies outside the Province through the State Bankers or otherwise are not drawn up in a uniform manner and do not sometimes give sufficient particulars, the Comptroller has the honor to request that a statement of details in the accompanying form may be furnished with such requisitions in future. In cases where original Bills or Invoices cannot conveniently be sent with the requisitions, particulars of the articles ordered may be given in brief in column 1 of the statement. The "cost of shipping and other charges" (column 4) involved in the case of payments to be made through Messrs. Coutts & Co., London, to firms outside India, should be calculated as accurately as practicable so that there may not be much difference between the amounts advised to the Bankers and actual payments by them. The original Bills or Invoices that may be sent with the requisitions will be returned immediately after payment.

2. For convenience, the attached form will be printed and distributed but until this is done manuscript forms should be used.

All the Amildars including the Deputy Amildar of Kumsi were present.

1. Read Government Order No. 1432-9—L. B. 52-09-1, dated the 10th August 1909 requesting the Presidents of the District Boards to suggest, in consultation with the Boards, any addition to or alteration in clause (*f*) of para 132 of the Local Board Regulation enjoining that certain items of revenue derived from a Union shall be wholly appropriated for the purposes of the Union.

Resolution.—The Board observe that the revenue which is at present derived from the tax on houses in Unions, is not sufficient for the expenditure required for the sanitary improvements therein. The maximum rate of house tax in Unions being Rs. 5, several houses which used to pay a higher rate before are now paying only Rs. 5. The income from this source is, therefore, considerably smaller than what it was formerly. They accordingly propose that the shop tax which used to be levied before they were constituted into Unions be now revived. In this view, the Board propose that Section 132, Rule (*f*) be amended by adding the words "and shops" after the word "houses" in the first line and that a corresponding addition be made to Section 20 of the Regulation.

2. Read Government Proceedings No. 4266-7—L. B. 138-09-2, dated 19th November 1909, passing orders on the list of incomplete works of the year 1909-10.

Resolution.—After carefully reconsidering the list of incomplete works, the Board resolve to defer the execution of the works, noted in the appended list A, amounting to Rs. 1,567, thereby reducing the cost of incomplete works to be undertaken this year to Rs. 3,246. To this has to be added the sum of Rs. 425, required for the urgent repairs to be executed to the musafirkhana at Shikarpur. The amount required for works to be executed during the current year is thus Rs. 3,671. To meet this expenditure the original works, named in the appended list B, amounting to Rs. 2,280, will be deferred and that sum will be appropriated for expenditure during the current year. The balance of Rs. 1,391 will have to be found from the available closing balance on 30th June 1909, which amounts to Rs. 22,174-10 7, according to the Comptroller's accounts. If the cost of Rs. 1,310, for the well at Chikkajambur in the Shikarpur Taluk, referred to in Resolution No. 4 be added to these figures, the total amount that will have to be defrayed from the closing balance will be Rs. 2,701.

3. Read Government Proceedings No. 4194-5—L. B. 54-09-4, of 16th November 1909, regarding the provision of funds required for repairing the musafirkhana at Shikarpur.

Resolution.—The Board find it impossible to provide funds for this work either out of the allotment made for the Shikarpur Taluk, or out of the allotments made for the other taluks in the sanctioned budget. But as the work is very urgent, it will be included in the list of works to be undertaken during the current year, the cost being met from the closing balance as proposed in the preceding resolution.

4. Read General and Revenue Secretary's docket No. 4086—L. B. 114-09-2 of 15th November 1909, regarding the allotment of funds required for sinking a well at Chikkajambur in the Shikarpur Taluk, from the current year's budget.

Resolution.—As the villagers have contributed Rs. 300 towards this work, the Board are of opinion that it should not be deferred, but that it should be undertaken this year and the cost met from the District Fund cash balance, *vide* Resolution No. 2.

5. Read General and Revenue Secretary's docket No. 3570—L. B. 114-08 of 21st October 1909, forwarding copies of letters Nos. 8904 and 554 of 27th March and 24th August 1909, respectively, from the Conservator of Forests, Bombay Presidency, and Mamlatdar of Kod, addressed to the Collector of Dharwar, regarding the proposal of the Conservator to levy tolls at the first toll-gate and none at the second on carts passing through the Mysore and British toll-gates on the Siralkoppa-Herekarur road.

Resolution.—Tolls are levied on the Mysore side only at one toll-gate, *viz.*, the one at Halaganakoppa. The toll that is levied at Shikarpur is a Municipal toll on carts entering the Municipal limits There is no reason to abolish the toll-gate at Halaganakoppa. The Board observe that in a similar case, *viz.*, on the Harihar-Ranibennur road, toll is levied at both the Mysore and the British toll-gates and are in no way productive of inconvenience.

6. Read Government Proceedings No. 3240-7—L. B. 37-09-3 of 2nd October 1909, forwarding copy of Revenue Commissioner's letter No. 2903 of 1st September 1909, addressed to the Secretariat, and requesting the Presidents, District and Municipal Boards to state whether the additional amount required for expenditure on account of the maintenance charges of Veterinary Hospitals and Dispensaries during 1909-10, may be provided by re-appropriation of the sanctioned grants under other heads in the current year's District Fund Budgets.

Resolution.—The Board resolve that the sum of Rs. 100, required for distributing sera and vaccine and for the purchase of books and periodicals in the current year be appropriated from the provision of Rs. 150, made in the budget for the Veterinary Dispensary at Sagar, which has not as yet been opened and which is not likely to be opened before the close of the current year.

7. Read docket No. 400 B. of 12th November 1909, from the Deputy Inspector of Schools, Shimoga District, regarding the Native Pandit in charge of the Indigenous Hospital at Anavatti, being required to pay occasional visits to the local school.

Resolution.—The Board are of opinion that it may be suggested to the vaidyas that they will make themselves useful if they visit the schools at their stations periodically, but that such visits cannot laid down as a portion of their duty as they are not regarded as Government servants.

8. Read statement of expenditure under Local Funds General and District Funds under A. Public works executed by the Public Works Department for the month of October 1909, received with the Executive Engineer's docket No. 1150, dated 25th November 1909.

Resolution.—Recorded.

9. Read Tirthahalli Taluk Board President's No. 198 of 18th October 1909, forwarding copy of resolution of the Taluk Board electing Mr. H. Rama Rao as Vice-President under clause 2 of Rule 9 of Rules under the Mysore Local Boards Regulation.

13. Read Government Proceedings No. 4890-1—Md. 81-09-2 of 8th December 1909, regarding the construction of quarters for the Hospital Assistant and the midwife attached to the dispensary at Sagar in preference to constructing a dispensary at Siralkoppa.

Resolution.—The Board consider that the construction of a dispensary building at Siralkoppa is of greater importance than that of quarters for medical subordinates at Sagar. As the dispensary at Siralkoppa is at present located in the musafirkhana building to the great inconvenience of the travelling public, they are of opinion that the matter should again be respectfully urged for consideration of Government. The Hospital Assistant and the midwife at Sagar have hitherto found no difficulty in getting houses for dwelling purposes and the former has moreover been allowed to live in the wards attached to the dispensary. A separate building for the dispensary at Siralkoppa is a long-felt want and the Board again recommend that the work be commenced at once, the provision of Rs. 2,000 provided in the District Fund budget under C. IX (4) Construction of a dispensary and Hospital Assistant's quarters at Siralkoppa being utilized to defray the District Fund share of the cost. If this proposal does not meet with the approval of the Government, the District

Board would recommend this provision being utilized for meeting the cost of urgent works referred to in Resolution No. 2.

REVENUE DEPARTMENT.

Circular No. 8111-8, *dated* 11—15*th February* 1910.

To—The Deputy Commissioners of Districts.

With reference to Article 99 of the Civil Account Code and the Comptroller's Circular No. 2089—T. A. D. I. 961, dated 23rd January 1907, the undersigned has the honor to observe that the certificate of the note of refund in the departmental accounts is being frequently recorded at the time the bill is prepared in the taluk or the district. This procedure is likely to prove inconvenient in case the refund is not ultimately sanctioned, and as the certificate is to the effect that the *order* of refund has been registered and noted against the original receipt entry (*vide* column 10 of the form for refund bills), the Account Office is of opinion that "the note can be made only after the refund is sanctioned by the Revenue Commissioner or other sanctioning authority as the case may be." The Deputy Commissioners are accordingly requested to arrange in future to have the note made and the certificate attested, after the refund is finally sanctioned and not at the time of the preparation of the bill.

Revenue Commissioner.

Note.—All the Amildars (excepting the Amildar of Arsikere) and the Deputy Amildar of Alur were present.

I. Read Government Proceedings No. 3571-3—Ml. 182-08-26, dated the 11th October 1909, observing that it is only fair that a portion of the cost of the most useful wells at Arsikere should be met from the funds of the District Board, and requesting therefore to find out some other source in the current year's District Fund budget from which the moiety of Rs. 3,920 can be met and to submit, if necessary, a reappropriation statement for sanction.

Resolution.—Resolved that, after a careful examination of the District Fund budget for 1909-10, the Board find that it is impossible to meet the cost of Rs. 3,920 from any source of the budget and that therefore the Government be moved to kindly sanction the cost from Local Funds General or from Provincial Funds.

II. Read the Government Proceedings No. 3240-9—L. B. 37-09-3, dated the 2nd October 1909, forwarding for information the Revenue Commissioner's letter in the matter of increasing the contribution from the District Funds towards the maintenance charges of the Veterinary Dispensary at Hassan.

Resolution.—Resolved that the extra cost of Rs. 67, being two-thirds of Rs. 100, be met from "X. Miscellaneous, (4) Cholera and Plague charges" in the current year's District Fund budget.

III. (1) Read letter No. 3964—L. B. 258-08-4, dated the 6th November 1909, from the General and Revenue Secretary, enquiring whether the District Board and the majority of the Estate owners concerned are agreeable to the transfer of the cattle pounds in Coffee Estates to the villages nearest to them and whether any reduction of the enhanced rate of fine is called for.

(2) Read Saklespur Assistant Commissioner's letter No. 315, dated the 9th—11th December 1909, furnishing letters from some of the Estate owners to the effect that they are not in favor of transferring the cattle pounds from their estates to the adjoining villages, etc.

Resolution.—Resolved that this Board are of opinion that the enhanced rate of pound fees in force in the malnad should be maintained.

Further resolved that if any Estate owners wish to retain the existing cattle pounds in their Estates, they should undertake to be responsible for any irregularities which may be committed by their servants, including the failure to feed impounded cattle properly, and that if another cattle pound be established in some neighbouring village, under the charge of the patel, the inconvenience experienced by others, who have cattle to be impounded, will be obviated.

IV. Read the General and Revenue Secretary's docket No. 4085—L. B. 141-09-2, dated 15th November 1909, requesting that the matter of increasing the pay of the watchman of the travellers' bungalow at Gendehalli in Belur Taluk, from Rs. 6 to Rs. 7 may be placed before the District Board, with information as to what pay the watchmen of the other travellers' bungalows in the district are getting and the necessity for the increase.

Resolution.—Resolved that full particulars be reported to Government including the fact that this watchman Babasab was formerly getting Rs. 7 per mensem, when the building was a Public Works Department inspection lodge.

V. Read letter No. 4837—L. B. 50-09-4, dated the 7th December 1909, from the General and Revenue Secretary, requesting the President to state what amount of money the District Board are prepared to spend and within what period for the improvement of the cart road from Banavar to Konanur and whether they will eventually convert the cart road into a District Fund road according to their original resolution dated 11th May 1908, if the levy of tolls is agreed to without the condition above specified.

Resolution.—Resolved that this Board will be willing to spend as much as may be obtained by the levy of toll on the improvement of the cart-track, until such time as it may be completed, and thereafter to fix mileage allotment for its maintenance as a District Fund road out of the toll realisations, so that there may not be any extra cost to the already overtaxed District Funds on account of mileage allotments on District Fund roads.

VI. Read the General and Revenue Secretary's docket No. 3710—L. B. 405-08-4, dated the 19th October 1909, observing that the rates of toll referred to in the Chief Commissioner's Notification are maximum rates and include such items, as sheep, goats, pigs, etc., and cannot therefore be sanctioned. The Government request that a report be submitted showing the rates of toll levied in other parts of the district and stating definitely in consultation with the District Boards of Hassan and Tumkur, the items on which toll should be levied and the actual rates to be levied.

Resolution.—Resolved that this Board are of opinion that the rates and the items of toll as levied at the Dudda and other toll-gates established on District Fund roads of this district, may also be adopted at the proposed new toll-gate at Karehalli on the Channarayapatna-Tiptur road.

VII. Read Government Proceedings No. R. 3171-80—L. B. 162-09-6, dated the 21st October 1909, passing orders on the budget estimates of receipts and expenditure under the Irrigation Cess Fund for the year 1909-10.

Resolution.—Recorded and resolved that the Taluk Boards be requested to send up their estimates hereafter only for major works, so as to reach District Head-quarters by the 15th January of each year.

VIII. Read the Hassan Division Executive Engineer's docket No. 349, dated the 15th October 1909, forwarding for countersignature an estimate amounting to Rs. 510 for flooring the Local Fund Dispensary at Arkalgud, and requesting the credit of the District Fund contribution of Rs. 170 to the Public Works Department.

Resolution.—Resolved that Rs. 170, being the District Fund quota towards the cost of flooring the Arkalgud Local Fund Dispensary, be credited to the Public Works Department for the execution of the work during the current year.

IX. Read the Executive Engineer's docket No. 342, dated the 12th October 1909, forwarding estimates amounting to Rs. 27, 16 and 30, for putting up monsoon thatties to the Local Fund Dispensary at Yeslurpet, Alur and Arehalli, during 1909-10, for transmission to the Senior Surgeon for countersignature, and requesting that the District Fund contribution amounting to Rs. 33 may be credited to the Public Works Department.

Resolution.—Resolved that Rs. 33 being the District Fund quota be credited to the Public Works Department.

X. Read the Executive Engineer's docket No. 378, dated the 11th November 1909, forwarding an estimate amounting to Rs. 145, for repairing the 3rd class travellers' bungalow at Sukravarasante for countersignature.

XI. Read the Executive Engineer's docket No. 384, dated 23rd November 1909, intimating that it is not possible to metal the whole portion of the Yelwal-Hassan road lying within this district, with the present mileage allotment, and that if the allotment be raised to Rs. 150 the same can be done.

Resolution.—Resolved that this subject be adjourned to the next meeting for consideration along with the proposed revision of mileage allotments.

XII. Read the Senior Surgeon's docket No. 2614-21, dated the 26th November 1909, stating that it is intended to take up the construction of quarters for Hospital Assistants and midwives at Konanur and Yeslurpet, and requesting that this matter may be placed before the District Board for providing funds in the ensuing year's District Fund budget and a copy of the resolution furnished to him for information.

Resolution.—Resolved that, owing to paucity of District Funds, it will not be found possible to provide for both the places in one year, and that provision will be made for the Hospital Assistant's quarters at Konanur in next year's District Fund budget as more urgent than at Yeslurpet.

XIII. Read the following for the information of the District Board:—

(1) Government Proceedings No. 3189-90, dated 1st October 1909, according sanction to utilise the provision of Rs. 100 towards the cost of lighting in the Yeslurpet Union, instead of road repairs there, with the remark that lighting is a luxury, while repairing the roads in a minor Union is a necessity.

B. 197-07-6, dated the 10th December 1909, according sanction to the revised estimate amounting to Rs. 792 (original estimate being Rs. 451) for sinking a well at Muttakadahosur in the Arkalgud Taluk, and approving of the payment of higher rates for blasting rock at the 4th, 5th, 6th and 7th fathoms, the amount required for expenditure on the work during the current year being met from the provision of Rs. 2,300 made for incomplete works.

Resolution.—Recorded and resolved that the Amildar be requested to get the well work completed early.

The required area for the building is 10 yards by 8 yards.

Resolution.—Resolved that the correspondence be returned for opinion of the present Amildar as the proposed building appears very small and the new Sante site will have to be selected if this site is to be granted to the applicant for the purpose mentioned.

XVIII. Read Belur Taluk Amildar's report No. 174—1222, dated the 15th October 1909, submitting a copy of the Belur Taluk Board's resolution to the effect that if a road be formed from Chikanahalli to Chikmagalur, the distance will be about 19 miles and the distance *via* Belur is 24 miles; hence the difference is small consequently it is advantageous to utilise the money required for the proposed road on some urgent and necessary works.

Resolution.—Recorded.

Read Arsikere Taluk Amildar's report No. 137—1443, dated the 16th November 1909, submitting a copy of the Taluk Board's resolution, recommending the acceptance of a charge of Rs. 5 incurred on 28th April 1897 for purchasing tar and sulphur for preventing the spread of cholera then in Gandasi and Kamasamudra villages.

Resolution.—Resolved that the Board cannot accept the proposed redistribution of road mileage allotments as it involves diversion of toll realisations of the Hassan-Arsikere road to other roads which is not permissible and the Board do not agree to such a large reduction in the mileage allotment of that road.

Further resolved that the Executive Engineer be requested to revise the proposed allotments accordingly, for disposal at the next meeting of the District Board, which will be the budget meeting.

XXIV. Read correspondence ending with the Saklespur Assistant Commissioner's yadi No. 226, dated the 9th December 1909, submitting a copy of the resolution of the Manjarabad Taluk Board to the effect that as there is no chattram or musafirkhana building at Yeslurpet for the use of travellers, the request of one Mr. Gurusantaiya to hand over to Government a building for being used as a musafirkhana may be complied with, and that the management of the building may be taken over by the District Board with a recommendation that the village officials may be directed to look after the building for the present.

Resolution.—Resolved that the District Board are not prepared to receive the building for up-keep as a musafirkhana at Yeslurpet unless the present owner puts it in thorough repair.

Circular No. 2124—*T. A. D. I.* 734, *dated* 12—14*th February* 1910.

To—All Heads of Departments and Heads of Offices.

It is observed that there has been some avoidable delay in the payment of bonus due on matured State Insurance Policies, owing to information as to the amount, if any, due to Government by the insured, which should be deducted from the bonus under Rule 23 of the Insurance Rules, not being furnished in time to this office. In regard to the bonus due on policies of deceased insured officials, the statement of casualties (Form M. S. L. I. G. 12) to be furnished by the head of the office in which the insured had served to the Insurance Office provides for information on the above point; but in the case of matured policies the information is now being obtained by this office after the payment order is issued by the Secretary to the Insurance Committee. This office has in the first instance to make the enquiry and the office in which the insured last served has, by reference to its own records and in some cases in communication with the offices in which the insured previously served, to obtain the required information.

2. As it is not desirable that such delay should be permitted to the detriment of the insured, Heads of Offices are requested to send in future "no demand certificates" (or of certificates specifying demands) in respect of all insured officials attaining 55 years of age, or retiring from, or for any reason whatsoever ceasing to be in service, whichever event may first occur, as soon as possible after the attainment of the age, or after retirement or otherwise, as the case may be. In the case of Gazetted Officers, the certificate must be given by the Head of the Department.

3. All insured officers should understand that the duty of having the certificate promptly despatched to the Comptroller rests primarily with them, and delay in settling claims can be avoided only if the certificate is promptly sent.

Circular No. 2124—*T. A. D. I.* 734, *dated* 12—14*th February* 1910.

To—All Heads of Departments and Heads of Offices.

It is observed that there has been some avoidable delay in the payment of bonus due on matured State Insurance Policies, owing to information as to the amount, if any, due to Government by the insured, which should be deducted from the bonus under Rule 23 of the Insurance Rules, not being furnished in time to this office. In regard to the bonus due on policies of deceased insured officials, the statement of casualties (Form M. S. L. I. G. 12) to be furnished by the head of the office in which the insured had served to the Insurance Office provides for information on the above point ; but in the case of matured policies the information is now being obtained by this office after the payment order is issued by the Secretary to the Insurance Committee. This office has in the first instance to make the enquiry and the office in which the insured last served has, by reference to its own records and in some cases in communication with the offices in which the insured previously served, to obtain the required information.

2. As it is not desirable that such delay should be permitted to the detriment of the insured, Heads of Offices are requested to send in future "no demand certificates" (or of certificates specifying demands) in respect of all insured officials attaining 55 years of age, or retiring from, or for any reason whatsoever ceasing to be in service, whichever event may first occur, as soon as possible after the attainment of the age, or after retirement or otherwise, as the case may be. In the case of Gazetted Officers, the certificate must be given by the Head of the Department.

3. All insured officers should understand that the duty of having the certificate promptly despatched to the Comptroller rests primarily with them, and delay in settling claims can be avoided only if the certificate is promptly sent.

J. S. CHAKRAVARTI,
Comptroller.

Circular No. 2124—*T. A. D. I.* 734, *dated* 12—14*th February* 1910.

To—All Heads of Departments and Heads of Offices.

It is observed that there has been some avoidable delay in the payment of bonus due on matured State Insurance Policies, owing to information as to the amount, if any, due to Government by the insured, which should be deducted from the bonus under Rule 23 of the Insurance Rules, not being furnished in time to this office. In regard to the bonus due on policies of deceased insured officials, the statement of casualties (Form M. S. L. I. G. 12) to be furnished by the head of the office in which the insured had served to the Insurance Office provides for information on the above point ; but in the case of matured policies the information is now being obtained by this office after the payment order is issued by the Secretary to the Insurance Committee. This office has in the first instance to make the enquiry and the office in which the insured last served has, by reference to its own records and in some cases in communication with the offices in which the insured previously served, to obtain the required information.

2. As it is not desirable that such delay should be permitted to the detriment of the insured, Heads of Offices are requested to send in future "no demand certificates" (or of certificates specifying demands) in respect of all insured officials attaining 55 years of age, or retiring from, or for any reason whatsoever ceasing to be in service, whichever event may first occur, as soon as possible after the attainment of the age, or after retirement or otherwise, as the case may be. In the case of Gazetted Officers, the certificate must be given by the Head of the Department.

3. All insured officers should understand that the duty of having the certificate promptly despatched to the Comptroller rests primarily with them, and delay in settling claims can be avoided only if the certificate is promptly sent.

J. S. CHAKRAVARTI,
Comptroller.

OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE.

Letter No. 84, dated 15th January 1910, from the Secretary of the Central Co-operative Society, Ltd., Tumkur, forwarding a copy of the Report on the working of the Society for the half-year ended December 1909, together with its accompaniments.

Registrar's review thereon, dated Bangalore, 24th February 1910.

The Report above referred to is a record of progress.

2. During the half-year covered by the Report the number of members rose from 308 to 387, the number of shares subscribed for correspondingly rising from 664 to 823. Certificates on 241 shares were granted to 84 members, as against those granted on 173 shares, in the case of 56 members, during the previous half-year. The Society seems to be alive to the very pertinent remarks which the Report contains in regard to the cases of default in payment of shares. A remedy seems to lie in narrowing the sphere of operation of the Society rather than extending it over so wide an area as at present.

3. The share-capital of the Society increased from Rs. 7,019-3-6 to Rs. 8,935-5-6 in the aggregate, removal of 44 members for persistent default, adjustment of dues from the share-capital, and one case of death accounting for a diminution of Rs. 149-4-0.

4. It is gratifying to note that the Society was able to attract a deposit of Rs. 1,240-4-0 during the half year, the deposits returned being Rs. 537-8-0. The deposits* on hand at the end of the term was Rs. 1,140-12-0. The increased rates of interest now allowed on deposits will, it is hoped, induce more deposits to come in future.

*Rs. 432-0-0 fixed for a period of one year.
" 300-0-0 do six months.
" 408-12-0 current deposits.

5. The interest earned during the half-year amounted to Rs. 494-3-6, the working expenses coming up to Rs. 123-15-2. The net profit available at the end was thus Rs. 370-4-4.

6. The total amount at the credit of the Reserve Fund, including Rs. 49-6-0 assigned to it from penalty recovered, was, at the end of December 1909, Rs. 369-8-11.

7. The balance of loans outstanding on members at the end of the half-year was Rs. 10,375-12-11, of which Rs. 8,143-0-0 was advanced during the period covered by the Report. In 4 cases, a sum of Rs, 235-0-0 was advanced on the pledge of moveables, and Rs. 2,956-8-0 on personal character, trustworthiness and such other guarantees in 78 cases. It is inconvenient to secure loans on moveables and the Registrar hopes that, in future, the Society will discontinue the practice. Coming next to the purposes of the loans, the largest amount, *viz.*, Rs. 2,185-0-0 was given for domestic needs in 122 cases, and Rs. 1,247-0-0 in 24 cases for trade.

8. It is pleasing to learn from the Report that repayments have been on the whole regular.

9. The management of the Society reflects great credit upon the President, Mr. T. Anantharama Iyengar, the Secretary, Mr. R. Shama Rao, and the members of the Executive Committee, and the thanks of the Registrar are due to them.

REVENUE DEPARTMENT.

No. 9337, dated 18—21st March 1910.

Under Article 177 of the Mysore Service Regulations, Mr. K. Kesavachar, Amildar of the Sidlaghatta Taluk, is granted privilege leave of absence for a fortnight with effect from such date as he may avail himself of the same.

M. K. Srinivasiengar, Taluk Sheristadar, will be in charge of the taluk during the absence of Mr. K. Kesavachar on leave.

Official Memorandum No. 9353, dated 18—21st March 1910.

In accordance with para 2 of Government Order No. R. 5276—L. R. 358-06-4, dated 19th February 1908, regarding an organization to improve the growth of grass on village gomal lands, the following draft rules framed by the Revenue Commissioner are published for eliciting public opinion. The Presidents of District Boards, Taluk Boards and Union Panchayets are requested to place these rules before the respective bodies, invite their opinions thereon and communicate the resolutions of these bodies to the undersigned within two months from this date.

2. The main points for consideration are,—(1) whether there is sufficient co-operation in villages to work the rules, and how many villages in each taluk are likely to take advantage of the rules, if they are passed. The villages in which the inhabitants are ready to adopt the rules may also be ascertained as far as possible.

3. Modifications, if any, may be freely suggested.

4. On the receipt of the opinions of the local bodies, the rules will be considered by a Committee as indicated in para 2 of the Government Order referred to above.

Draft Rules.

I. To conserve and improve the gomal in Government villages and to regulate the grazing thereon, a Panchayet may be constituted of influential and intelligent men of the village or villages to which the right of grazing extends.

II. In villages which have only a small extent of grazing lands (*i.e.*, not more than 50 acres per hundred head of cattle) the Panchayet shall, if they consider improvement to be possible, have power —

(*a*) to prohibit during a particular season of the year (such as the non-cultivation season) the trespassing of any cattle on the pasture lands;

(*b*) to permit the villagers every year to plough up and weed selected portions and sow grass seeds;

(*c*) to permit the raiyats who plough and grow grass with the aforesaid permission to cut or scrape, before cattle are allowed to graze, some plots of grass from the conserved portion, the plots obtained by the raiyats varying in proportion to the labor contributed or size of their holdings, or both;

(*d*) to permit the villagers individually or collectively to plant trees useful for fodder and leaf manure in some selected portions of the gomal lands, the portion assigned to individuals for improvement being determined with reference to the extent of their holdings in the village;

(*e*) and generally to adopt all measures for the improvement of the gomal which are consistent with the rights of Government and of individuals.

III. In villages where the extent of gomal lands is more than the actual requirements the Panchayet shall have power—

(1) to restrict the grazing to so much area of the lands as is actually required for grazing;

(2) to conserve the remaining portion of the gomal for a period of not less than five years without any grazing;

(3) to exercise, with reference to the conserved area, the powers mentioned in clauses (*b*) and (*d*) of Rule II;

(4) to exercise with reference to the conserved area also the power mentioned in clause (*c*) of Rule II with the exception that the surplus grass shall be sold after the raiyats take their share;

(5) to form a fund called "The Village Grazing Fund" out of the proceeds of the surplus grass mentioned in clause (4), to keep the fund in the Government Savings Bank and administer it;

(6) and to meet out of the fund the incidental charges for fencing, watching the areas reserved, supplying seeds for fodder, grass, etc.

IV. The Panchayet shall have power to determine the individual obligations of the raiyats with reference to the matters now provided for, in general meeting of the villagers.

V. Any raiyat failing to abide by the decision of the Panchayet after acquiescing in such decision, shall forfeit his interest in the reserved lands and shall be liable to have the cost of his share of work collected from him at such daily rates as the Panchayet may fix.

VI. The Panchayet's decision shall be appealable to the Amildar whose decision shall be final.

VII. The lands on which trees have been planted or grass grown as above will generally not be given out for cultivation or any other purpose without the consent of the Panchayet. But if the Government or the Revenue Commissioner for any good reason order any portion of it to be appropriated for cultivation or any other purpose, the Panchayet will generally be given the first refusal to take it up without any upset price. Resolved that the diversion of the travellers' bungalow as suggested is undesirable and that, if the musafirkhana is insufficient for the temporary location of the dispensary, further accommodation be rented elsewhere, if procurable.

27. Read correspondence ending with Bowringpet Amildar's report No. 300, dated the 27th January 1910, requesting sanction for the payment of local allowance to the Local Fund clerk attached to Bowringpet Taluk from the date of his entertainment.

Resolution.—The Takalaghatta well sanctioned and started in 1902, and sunk to a depth of 51 feet with no prospects of tapping any water, is being shown on the list of incomplete works every year, and it being very unlikely and improbable that water can be tapped even though deepened to any fair limit, resolved that the work be abandoned once for all and removed from the list of incomplete works.

29. Read Malur Amildar's report No. 153, dated 8th September 1909, together with the Taluk Board's resolution submitting for sanction a bill for Rs. 32-10-0 for the acquisition of certain houses for extending the roads in Lakkur Union.

31. Read report No. 94, dated 3rd February 1910, from the Assistant Veterinary Inspector, Kolar, requesting an additional grant of Rs. 50 under maintenance charges of the dispensary for the purchase of instruments, etc., for the year 1910-11.

2. „ K. B. Srinivasa Rao, Maddagiri.

I. Read Government Proceedings No. 1432-9—L. B. 52-09-1, dated 10th August 1909, stating that clause (*f*) of para 132 of the Rules issued under the Local Boards Regulation enjoins that certain items of revenue derived from a Union shall be wholly appropriated for the purposes of the Union and requesting to be furnished with a statement of receipts and expenditure in the several Unions during the past three years together with suggestions, if any, for any alterations in the rule that may be deemed necessary.

Resolution.—The majority of the members present were in favor of putting into practice the existing rule enjoining that certain items of revenue derived from a Union shall be wholly appropriated for the purposes of the Union administration, and considered that no modification of the rule was necessary.

II. Read Government Proceedings No. 6847-53—L. B. 232-09-1, dated 8th February 1910, requesting to be furnished with a report in consultation with the District Board, why the services of the Union mutsaddis should not be dispensed with at once.

Resolved that the services of the mutsaddis in the three Unions Holavanahalli, Rampura and Tovinkere in the Koratagere Sub-Taluk be dispensed with from 1st July 1910.

III. Read and passed the District Fund budget estimates for 1910-11.

IV. Read Senior Surgeon's docket No. 2614-21; dated 26th November 1909. *re* providing funds in the District Fund budget for 1910-11 for the construction of quarters to Hospital Assistants and midwives at Pavagada and Huliyar.

(1) District Medical and Sanitary Officer's docket No. 1141, dated 19th December 1909, on the subject and

(2) Papers connected therewith.

Resolution.—The estimated closing balance for the current year as sanctioned by Government, is far below the prescribed minimum. The total estimated income for the next year, *viz.*, Rs. 1,01,350, is barely sufficient to meet the items of expenditure under Public Works and establishment and other charges during the next year, after setting aside a sum of about Rs. 13,000 as working balance. In these circumstances funds will have to be made available only for the maintenance of the existing buildings. The provision for Hospital Assistants' and mid wives' quarters would have to wait until funds can be found.

V. Read Executive Engineer's docket No. 14, dated 6th January 1910, requesting to arrange for a transfer of a sum of Rs. 249 for the repairs to the 3rd class travellers' bungalow at Pavagada, as the work has been already carried out.

Resolution.—The well work at Sulnaikanahalli that is included in the current year's District Fund budget may be deferred and out of the sum of Rs. 300 sanctioned therefor, the sum required for the repairs of the travellers' bungalow referred to may be transferred to (A) Public Works.

VI. Read Executive Engineer's docket No. 35, dated 25th January 1910, forwarding for countersignature an estimate for Rs. 160 for constructing a tunnel in 8—7th mile of the Tumkur-Maddur road.

Resolution.—Approved.

VII. Read Executive Engineer's docket No. 41, dated 3rd February 1910, forwarding three alternative estimates one for constructing a new native kitchen attached to the travellers' bungalow at Turuvekere for Rs. 660 as per standard type design and another for reroofing the old mantapam with Mangalore tiles for Rs. 415, and the third for Rs. 251 for reroofing mantapam with available pot tiles, and requesting that funds may be allotted for this work as it is an urgent one.

Resolved that a new kitchen be built at an estimated cost of Rs. 660 by using the available old materials and that a sum of Rs. 660 be provided in the next year's budget for this work, as there are no funds available to take it up during the current year.

VIII. Read Maddagiri Taluk Amildar's report No. 271, dated 18th December 1909, forwarding the Maddagiri Taluk Board's resolution *in re* the formation of the Maddagiri-Hindupur cart-track into a road.

Resolution.—There are no funds available to take up this work.

IX. Koratagere Sub-Taluk Deputy Amildar's reports No 59, dated 25th October 1909, and No. 119, dated 4th February 1910, proposing that the budgetted works, *viz.*, sinking wells in Goddarahalli and Guddanahalli, may be deferred and that the funds sanctioned therefor may be re-appropriated for sinking a well at Kambadahalli and improving the well at Hosahalli.

Resolution.—Approved.

X. Read Gubbi Sub-Divisional Officer's yadi No. 203, dated 16th December 1909, forwarding an estimate for Rs. 21 for repairing the musafirkhana at Chelur and proposing that the cost of this non-budgetted work be reappropriated from the savings out of the sum sanctioned for a well at Honnavalli in the current year's District Fund budget.

1. Read Executive Engineer's dockets Nos. 1224 and 83, dated 25th December 1909 and 28th January 1910 respectively, forwarding statements of outlay under District Funds during the months of November and December 1909.

Resolution.—Recorded.

2. Read statement of works sanctioned by the President in anticipation of the Board's approval.

Resolution.—Approved.

3. Read letter dated 28th January 1910, from Revd. F. Poulnais, resigning his membership on the District Board on account of his transfer from Shimoga.

Resolution.—Resolved that Father Poulnais' resignation be accepted and that a recommendation be submitted to Government for the appointment of his successor, Father Y. Gouarin, as member of the District Board.

4. Read Government Proceedings No. 6632-5—L. B. 142-09-4, dated 2nd February 1910, sanctioning an additional grant of Rs. 2,000 to the current year's budget for meeting the cost of special repair to the Shiralkoppa-Hirekerur road.

Resolution.—Recorded.

5. Read Secretary's No. 6364—L. B. 204-09-2, dated 27th January 1910, enquiring with regard to the Board's proposal for constructing a musafirkhana at Mandagadde, whether a 4th class musafirkhana of a cheaper design than the one already submitted would not do.

Resolution.—The accommodation provided in the plan submitted, and the description of materials to be used, *viz.*, brick-in-chunam for the walls, and teakwood and Mangalore tiles for the roof, are in keeping with the requirements of Mandagadde, which is situated in the malnad, where the rainfall is heavy. A cheaper structure would be useless. The Board therefore recommend that the plan and estimate, already submitted, may be sanctioned early and orders issued in the Department of Public Works for the immediate commencement of the work, so that the grant of Rs. 2,000 sanctioned for it from the Local Funds General in the current year may be fully utilized.

6. Read Secretary's letter No. 6212—L. B. 114-09, dated 24th January 1910, requesting to place before the Board the question of levying tolls on carts passing on the Siralkoppa-Hirekerur road, only once during the journey at the first station visited (Hirekerur or Huligenakoppa) or at both the stations.

Resolved.—The Board after fully considering the question in all its aspects are of opinion that the levy of tolls at both the stations, *viz.*, Huligenakoppa and Hirekerur, will have no injurious effects on trade as pointed out by the Conservator, Southern Circle. In all the frontier places like Harihar and Agumbi Ghat, there are two toll-gates, one on the Mysore side and the other on the British side, and the carts passing these stations have to pay toll at both the toll-gates. The suggestion made by the Collector of Dharwar to levy toll only once during the journey at the first station visited would, as calculated by the Mamletdar of Kod, involve a loss of Rs. 1,200 to each of the District Boards in toll collection. The Board therefore unanimously resolve that the existing practice of levying toll at both the stations be continued as, in the present condition of the finances, the Board cannot afford to forego so large a proportion of its revenue.

7. Read Government Proceedings No. 6838-09—L. B. 5-09-5, dated 8th February 1910, ordering the abolition of mutsaddis in all the Unions in the district except in the Unions of Benkipur, Holehonnur and Siralkoppa with effect from 1st April 1910.

Resolved.—Orders will be issued for the abolition of mutsaddis in all the Unions in the district except those of Benkipur, Holehonnur and Siralkoppa with effect from 1st April 1910. The District Board are unanimously of opinion that the mutsaddis at these three places should be retained, as, without them, the work cannot be done efficiently. The mutsaddis attend to the following work:—

(1) Work connected with the cattle-pound.
(2) Accounts of house tax and its collection.
(3) Correspondence with the Taluk Cutcherry.
(4) Supervision of works and lighting arrangements as well as that of the work done by the sweepers.

It is also noted that Benkipur, Holehonnur and Siralkoppa were municipalities before, the introduction of the Local Boards Regulation and Rules and that the income and expenditure warrant the retention of a mutsaddi.

8. Read docket No. 2741, dated 4th December 1909, from the Senior Surgeon in Mysore requesting to make provisions in the District Fund budget for the ensuing year to meet the cost of constructing quarters for Hospital Assistants and midwives at Shimoga Local Fund Dispensary and Tirthahalli.

Resolution.—Resolved that provision be made for the construction of quarters for the Hospital Assistants and midwives both at the female dispensary at Shimoga and at the Local Fund Dispensary at Tirthahalli as proposed by the Senior Surgeon.

In connection with this, Mr. H. Rama Rao, member from Tirthahalli, proposed that the house and the vacant building site adjoining the Local Fund Dispensary at Tirthahalli be acquired for use as quarters for the Hospital Assistant instead of building fresh quarters at a heavy cost. This proposition was carried *nem-con.* The cost of acquisition is estimated at Rs. 2,000. A provision for the whole of this amount is made in the District Fund budget for the next year with a view to the acquisition being made without delay.

9. Read Executive Engineer's docket No. 1205, dated 18th December 1909, forwarding statements of irrigation works for the repair of which the allotment of Rs. 10,000 has to be utilized during the current year 1909-10.

Resolution.—Recorded.

10. Read District Fund budget for the year 1910-11 prepared by the Finance Committee.

Resolution.—Resolved that the budget estimate, a summary of which is given below, be passed. The reasons for the variations are given in the explanatory memo attached to the budget estimate:—

	Rs.
Estimated opening balance	28,340
Estimated receipts during the year	1,00,357
Total including balance ...	1,28,697

C. Civil Charges	36,356

Closing balance ...	14,085

11. Read Government Proceedings No. 11568-75—L. B. 377-08, dated 19th May 1909, directing the Presidents of District and Municipal Boards to fix, under Section 5 of the Cattle Trespass Act, the rates of feeding and watering charges in respect of each pound according to local circumstances.

Read also the ittillas received from the Amildars of taluks reporting on the rates of charges at present levied in their respective taluks.

Resolution.—The subject will be placed before the Taluk Boards concerned and their resolutions submitted for consideration by the District Board.

12. Read ittilla No. 361, dated 1st February 1910, from the President, Tirthahalli Taluk Board, requesting to make provision in the next year's budget for meeting the cost of employing one sweeper at each of the places, Agumbe, Hunchadkatte, Mandagadde and Megaravalli.

Resolution.—Agumbe and Mandagadde are big villages on the high road from Shimoga to Mangalore. The traffic along this route is considerable and many carts halt at these places during the journey. The Board deem it necessary to make arrangements for the proper conservancy of these villages and therefore unanimously resolve that the sanction of Government be applied for to the employment of one sweeper on Rs. 6 per mensem at each of the places.

Resolved also that the cost, *viz.*, Rs. 144 per annum, be provided for in the next year's budget in anticipation of Government sanction.

The question of providing sweepers for the other two places, *viz.*, Megaravalli and Hunchadakatte, may lie over for the present.

13. Read ittilla No. 292, dated 7th February 1910, from the Vice-President, Shimoga Taluk Board, forwarding a copy of the Taluk Board's resolution of the 5th instant recommending that Nandibasappa, patel of Hole-Hantavadi, Shimoga Taluk, may be granted an Amrut Mahal bull at half cost.

Resolution.—Approved.

14. Read Kannada yadi No. 352, dated 8th October 1909, from the President, Sorab Taluk Board, requesting sanction to an estimate of Rs. 70 for the repair of musafirkhana at Ulavi, as it stands in urgent need of repairs and suggesting that the cost may be met out of Rs. 100 provided for in the current year's budget under "B. II. Reserve for repairs to musafirkhanas, cattle-pounds and other unforeseen works."

Resolution.—Sanctioned.

15. Read Kannada yadi No. 780, dated 29th November 1909, from the President, Channagiri Taluk Board, recommending the grant of permission to hold sante at Joladahal tentatively for one year on Sundays as proposed by the Taluk Board.

Resolution.—Sanctioned.

16. Read Kannada yadi No. 1072, dated 17th January 1910, from the President, Honnali Taluk Board, recommending the grant of permission to hold sante at Benakanahalli on Fridays.

Resolution.—Sanctioned.

17. Read Kannada yadi No. 647, dated 24th January 1910, from the President, Sorab Taluk Board, reporting upon the petition from the raiyats of Kuppagadde and other neighbouring villages for grant of permission to hold sante at Kuppagadde.

Resolution.—The Taluk Board is of opinion that there is no necessity for a sante at this place.

The District Board approve of this resolution.

18. Read yadis Nos. 347 and 656, dated 10th October 1909 and 20th January 1910, from the President, Sagar Taluk Board, reporting with reference to the District Board's resolution dated 28th July 1909, that the villagers of Maradavalli have laid out the road from Siravanthe to Maradavalli at their own cost and recommending that the road may be taken under the control of the District Board and provisions made for its annual repair.

Resolution.—There are similar cart-tracks opened by the villagers in all the taluks and the question of providing for their annual repairs out of the District Funds is a general one necessitating recurring charges of maintenance. An estimate of probable funds required for undertaking the annual repairs of such village tracks will be called for from each Taluk Board and the question deferred for consideration by the District Board pending receipt of the information called for.

19. Read Kannada yadi No. 781, dated 29th November 1909, from the President, Channagiri Taluk Board, reporting on the petition of the villagers of Agarabannihatti, praying that the well which they have sunk in the tank bed of their village may be provided with stone revetment at the cost of the District Funds.

Resolution.—Estimate to be called for.

20. Read Irrigation Cess Fund budget for the year 1910-11.

Resolution.—The estimated receipt under this head is Rs. 43,106 and the estimated expenditure proposed to be incurred amounts to Rs. 10,000. Resolved that the budget be passed and sent up to the Revenue Commissioner.

21. Proposed by Mr. A. Narasimhaiengar and seconded by Mr. C. Subba Rao, that District Fund Board meetings may occasionally be held at taluk head-quarters instead of at Shimoga throughout the year.

Resolution.—Under Section 17 of the Local Boards Regulation this proposition was considered at the meeting and it was unanimously resolved that, in exercise of the discretionary power vested in the Board to fix the time and place of its meetings, the next meeting of the Board be held at Sagar on the 16th May 1910.

From 1st July 1909 to the end of December 1909 3,528

Resolution.—Recorded.

4. Read the proceedings of the Taluk Boards as detailed below:—

Read correspondence ending with letter No. 332, dated 2—3rd December 1909, from the Executive Engineer, Kadur Division, forwarding plans and an estimate for Rs. 1,100 for deviating the cart-track behind the Yellambalasi tank bund of Kadur Taluk and also the Government Order No. 3366-7—L. B. 11-09-2, dated 8th October 1909, on the subject.

Resolution.—Resolved that if the raiyats contribute half the cost of the road, *i.e.*, Rs. 550, the District Fund provide the other moiety.

6. Read District Medical Officer's memo No. 232, dated 2nd September 1909, recommending the increase of pay from Rs. 2 to Rs. 3 to the water-women attached to the dispensaries at Sollebyle and other places.

Resolution.—The Board is of opinion that the present rate of pay (*i.e.*, Rs. 2) of the water-women is very low and inadequate and that it may be raised to Rs. 3 for all the dispensaries in the district.

7. Read docket No. 2848, dated 13th December 1909, from the Senior Surgeon in Mysore, requesting to make a provision in the District Fund budget on account of District Fund quota towards the cost of construction of quarters for the Hospital Assistant and midwife at Mudgere and Sringeri or Ajjampur.

Resolution.—The Board is of opinion that no quarters need be built for the Hospital Assistant at Ajjampur, as he can generally obtain houses for rent in the place.

As regards Mudgere the Board is of opinion that quarters for the Medical officer there are absolutely necessary but regrets that it is not now in a position to provide funds for the purpose. Considering that the Government have constructed quarters from Provincial Funds for officials of all other Departments, the Board would request the Government to meet the cost of the quarters for the Medical officer also from the same source.

8. Read Government Order No. 6142-6—Medl. 228-08-6, dated 24th January 1910, sanctioning the construction of quarters for the Hospital Assistant and midwife at Koppa and relieving the District Board of its quota towards the construction.

10. Read correspondence ending with Mudgere Amildar's report No. 100, dated 13th January 1910, in the matter of opening toll on Anjur and Magundi bridge in order to secure an increased mileage allotment for the maintenance of (1) Magundi-Kalasa road and (2) Anemahal-Mudgere road.

Resolution.—Resolved that it is not desirable to open tolls either at Anjur or Magundi for the present, as the approach roads to the former road are not yet brought to perfect order and as the receipts from tolls at either bridges are expected to be very small. The Board consider that the subject may be taken up next year, by which time it is believed that the approach roads to the bridges will be improved and that more traffic will be diverted to them.

11. Read correspondence ending with Sub-Divisional Assistant Commissioner's yadi No. 241, dated 17th January 1910, in the matter of restoring Bhangy Ramanakatte at Huli Thimmapur, Tarikere Taluk.

13. Read Sub-Divisional Assistant Commissioner's yadi No. 207, dated 24th December 1909, forwarding Koppa Amildar's No. 180, dated 13th December 1909, regarding the entertainment of a watcher on Rs. 6 for the Balgade musafirkhana.

15. Read Government Order No. 6072-3—L. B. 9-09-8, dated 21st January 1910, sanctioning the proposal to disestablish the Union at Lakkavalli with effect from 1st July 1910.

Resolution.—Recorded.

16. Read Comptroller's letter No. 333—L. F., dated 23rd December 1909, stating that the amount of Rs. 6 under contingencies was drawn by the native pandit at Chikmagalur contrary to Government Order No. 5074-5—Medl. 37-08-2, dated 28th November 1908 and requesting the President to take steps for its recovery.

Resolution.—The Board is of opinion that Rs. 9 will be inadequate for the contingent charges of the dispensary and that it should be increased to Rs. 15 at least.

17. Question of moving the Government to continue the grant-in-aid of Rs. 2,500 which was sanctioned by Government for a period of two years in their Order No. 2612-6—L. B. 363-07-4, dated 12th September 1908, but which terminated with the close of this year, for some years to come, so that the District Board may improve its financial condition.

Resolution.—The Board has been doing its best to reduce expenditure and improve its receipts on all sides and in spite of their best efforts they have not been able to effect an appreciable improvement in the condition of finance. Considering the heavy expenditure on roads which has to be indispensably incurred on hospitals, etc., in a malnad district like Kadur, the Board request that the Government may be pleased to make the grant-in-aid of Rs. 2,500 permanent or that it may be at least extended for a further period of three years, by which time the Board will make every effort to improve its finances.

17. Read the following estimates sanctioned by the President :—

	Rs.
(1) Improving the streets in front of Channarayaswami temple ...	33
(2) Improving the northern street in Kalasapur village	38
(3) Improving the roads at Amble	50
(4) Improving the street in front of Cheluvanarayanaswami temple at Kalasapur	44
(5) Construction of main roads at Marle	115

Resolution.—Approved.

18. *Resolved* that the next meeting of the Board be held on 23rd May next.

EXCISE DEPARTMENT.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 7993, dated 23rd March 1910.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs, and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1910 and ending 30th June 1911 will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidder will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from, each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Resales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

* Deposits may be in cash or other approved security.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind.

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

2. The limits within which sales under any Excise or Opium licenses may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited except with the special permission of the Deputy Commissioner.

Note 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officer authorized by him, subject to the approval of the particular site selected.

Note 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days from the date of sale.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the Depot or Shop and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 5,000 and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and the shop shall not be used as a place of residence save by the vendor and his family or caretakers.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. 7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. to be employed in depots or shops and forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M., except under special authority. In the cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards, or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or independent Brigade) or the Officer commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. be maintained therein. Shops not opened by 1st July shall be liable to be resold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

20. No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.*

25. Any officer of the Excise Department of rank not lower than Sub-Inspector is authorised to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licensees, and to call for and check the accounts kept in the shop or depot. NOTE.—No trees on Government occupied land can be tapped without the consent of the owner. The present arrangements as regards trees in alienated land will hold good, subject, of course, to the levy by Government of tree-tax.

(8) The tapping of date trees is subject to the following conditions :—

(*a*) Date trees shall be tapped only by professional men.

(*b*) Trees tapped one year shall not ordinarily be tapped the next year.

(*c*) Trees shall not be overtapped or overworked.

(*d*) In no date trees shall the initial incision be made at any point less than three feet from the ground except in places where permission is specially given by the Deputy Commissioner.

(*e*) The depth and width of the incision shall not exceed one-third of the diameter of the tree, and the length of it shall not exceed eight inches.

(*f*) Every fresh incision shall not be less than one foot above the last incision except in localities where permission is specially given.

(*g*) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters, on that face of the tree on which the incision is made.

(*h*) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(*i*) The licensee or his employer will be liable to pay a fine of one rupee for each tree in excess of three per cent of the number of trees marked for him, which may die from overtapping or careless tapping either during the lease or within six months after its expiration.
He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(*j*) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that Department may require to cut down or strip of their leaves or branches.

(*k*) When the licensee makes default and his shop is re-sold, his rights to and claims on Government trees cease and determine.

(9) The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope-making, basket-making, or for agricultural or other purposes when they make use of the trees assigned for such purposes, and not reserved for tapping.

(10) Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(11) The distillation of spirit from toddy is absolutely prohibited.

(12) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized in this behalf.

(13) Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorised by the rules, are strictly prohibited. Provided, however, that in Bagani tracts, the licensee who has purchased the right of vend of Bagani toddy, may permit the tapping of Bagani trees for domestic consumption as well as for sale within the limits of the village purchased by him.

(14) The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the retail rates fixed by Government and mentioned in the Schedule. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

(15) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-man to enable Excise Officers to examine spathes or incisions as the case may be.

(16) The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy, but such carts shall not be impressed for Government work.

(17) The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy-producing trees and for the drawing of toddy therefrom :—

1. Tree-tapping licenses in the prescribed form shall be issued on the application—

(*a*) of licensed toddy shop-keepers or of their duly authorized agents;

(*b*) of toddy shop-keepers or renters in the Madras Presidency; and

(*c*) of tree-owners in coffee estates, hittals and kans in malnad free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 28th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

The licenses may be issued in the name of the applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules; and will obtain a transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in

token of his consent. Applications for tree-tapping licenses for trees in the State Forest and plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector, or in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6. No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

7. For all toddy-yielding trees, tree-tapping licenses shall be annual, from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. Provided that no toddy shall be removed from the trees except during the currency of such license.

Notification No. 7994, dated 26th March 1910.

NOTICE OF SALE OF DATE TODDY SHOPS FOR A PERIOD OF TWO YEARS FROM 1910 TO 1912.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose and published in the Schedule during the two years beginning 1st July 1910 and ending 30th June 1912, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. (*a*) The shops will be put up to public auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. The upset price at which the shop or shops will be put up to auction will be the average of the three previous years' rentals. This price will not be lowered; and if there are no bids for or above the upset price, the shop or shops will generally be sold for a period of one year only, and then the conditions applicable to the annual lease of toddy shops by auction will apply to these shops also.

(*b*) The Deputy Commissioners have full discretion to work the scheme of the two years' lease if the rentals realized for the whole talúk is not less than the average of the three previous years' rentals, though individual shops may not fetch a rental equal to the average of its three previous years' rentals.

(*c*) The rentals and the consumption of the previous three years together with their average will be published for the information of bidders.

(*d*) The privilege in any coffee estate may be sold to the planter for a fixed amount not less than Rs. 12 per shop per annum.

(*e*) Toddy shops in alienated villages whose claims to the Excise Revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances, limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an

acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons, and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit * of two months' rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds four months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit * such further sum as with the former deposits will make up four months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of a purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from, each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Resales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

* Deposits may be in cash or other approved security.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for toddy licenses :—

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants, and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

(2) The limits within which sales under any Excise or Opium licenses may be carried on, will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited, except with the special permission of the Deputy Commissioner.

NOTE 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officer authorized by him, subject to the approval of the particular site selected.

NOTE 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days from the date of sale.

(3) Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop, and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in municipalities or towns having a population of 5,000, and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door, and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day, and the shop shall not be used as a place of residence, save by the vendor and his family or care-takers.

(4) Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

(5) A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

(6) All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorized to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

(7) The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease, and the employment of such persons in shops or depots for the sale of the same are prohibited. The Deputy Commissioner may, where necessary, call for the names of all persons employed or proposed to be employed in depots or shops and forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

(8) No depot or shop shall be opened before sunrise or kept open after 9 P.M. except under special authority. In the cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

(9) No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

(10) No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

(11) No person shall be harboured in any depot or shop during the night.

(12) Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a regiment or detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall, on his own motion, close his depot or shop when there is riot or disturbance in the neighbourhood.

(13) The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

(14) The right is reserved to the Deputy Commissioner to grant "occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction,

(15) No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license.

(1) to sailors of the Royal Navy, soldiers and the members of their families, or

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments,

(2) to policemen, Excise officers and Railway servants when on duty; or,

(*c*) in any circumstances, to any—

(1) European vagrant under escort of the Police;

(2) child under sixteen years of age

(3) insane person; or

(4) person known or believed to be intoxicated.

(16) No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

(17) No holder of any Excise or Opium license will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium license outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

(18) Depots and shops must be kept open unless their temporary or permanent closure is authorized under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. Shops not opened by 1st July shall be liable to be resold at the risk of the licensees.

(19) No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit

sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

(20)* No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.

The account and permit books may be obtained from the Local Excise Officers on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, intoxicating drugs or opium received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. (24) Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

(25) Any officer of the Excise Department of rank not lower than Sub-Inspector is authorized to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licenses, and to call for and check the accounts kept in the shop or depot. Police Officers will also make inspections when it comes within the scope of their duty.

(26) An inspection note book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained and be handed over to the Excise Inspector in charge of the Range or any officer authorized by him to receive it on a receipt being given therefor.

(27) The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

NOTE.—In the malnad and semi-malnad taluks the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

(28) No remission or abatement of the rent shall be claimable on any account whatever.

(29) Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

(30) Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

(31) In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist by the end of the month for which it is due, the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall resell on the 1st of the month following (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of at the Deputy Commissioner's discretion. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending resale or other disposal of the privilege.

* 1. Arrack 20 Under Proof—Fixed price 2 annas per dram.
2. Ganja—Fixed price 2 annas per tola.
3. Opium—Fixed price 9 annas per tola.

† 1. Arrack—One reputed quart.
2. Toddy—Four imperial quarts or one gallon.
3. Ganja—Four tolas
4. Opium—Three tolas.

(32) Interest on all moneys due shall be payable at the rate of one pie per rupee per mensem or part thereof.

(33) Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

either (*a*) fine up to Rs. 50;

or (*b*) forfeiture of deposits, if any, and cancellation of license and resale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

(34) Any license may be forfeited and the privilege be resold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the $\frac{\text{Excise Regulation}}{\text{Opium Act}}$ or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

(35) Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise Opium Laws or of engagements entered into by them, and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

(36) Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

(37) With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

(38) All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium Laws, and, if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

(39) No licensee shall have claim to any compensation or remission on account of any arrangements which may be made in regard to liquors or intoxicating drugs other than those to which his license relates.

(40) No licensee of any one kind of liquor shop shall, during the term of such license, have any interest in the exclusive privilege of vending any other kind of liquors within five miles from it nor shall he permit any person having such interest to hold any share or interest in his exclusive privilege.

XX. Conditions applicable to Toddy Licenses.

(1) The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, and Cocoanut toddy.

(2) For the supply of toddy to his shops, the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands; provided where such trees are situated close to or within the area of any other shop not worked by him, the previous sanction of the District Excise Officer should be obtained before applying for a license to tap the same. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same.

(3) No toddy except the produce of tree for the tapping of which a license has been issued shall be kept in the shop or offered for sale or sold.

(4) The licensee shall be responsible to Government for all payments of instalment of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

(5) If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation.

(6) In case of default, the Amildar with the Deputy Commissioner's permission, or other officer appointed for the purpose by the Deputy Commissioner, will

order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter continues to tap the trees, he will be prosecuted for illicit tapping.

(7) Tree-rent at Re. 0-4-3 per annum shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore.

NOTE.—No trees on Government occupied land can be tapped without the consent of the owner. The present arrangements as regards trees in alienated land will hold good, subject, of course, to the levy by Government of tree-tax.

(8) The tapping of date trees is subject to the following conditions:—

(a) Date trees shall be tapped only by professional men.

(b) Trees tapped one year shall not ordinarily be tapped the next year.

(c) Trees shall not be overtapped or overworked.

(d) In no date trees shall the initial incision be made at any point less than three feet from the ground except in places where permission is specially given by the Deputy Commissioner.

(e) The depth and width of the incision shall not exceed one-third of the diameter of the tree, and the length of it shall not exceed eight inches.

(f) Every fresh incision shall not be less than one foot above the last incision except in localities where permission is specially given.

(g) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters, on that face of the tree on which the incision is made.

(h) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(i) The licensee or his employer will be liable to pay a fine of one rupee for each tree in excess of three per cent of the number of trees marked for him, which may die from overtapping or careless tapping either during the lease or within six months after its expiration. He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(j) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that Department may require to cut down or strip of their leaves or branches.

(k) When the licensee makes default and his shop is resold, his rights to and claims on Government trees cease and determine.

(9) The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope-making, basket-making or for agricultural or other purposes when they make use of the trees assigned for such purposes and not reserved for tapping.

(10) Deputy Commissioners may, subject to the orders of the Excise Commissioner, from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(11) The distillation of spirit from toddy is absolutely prohibited.

(12) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized in this behalf.

(13) Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorized by the rules, are strictly prohibited.

(14) The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the retail rates fixed by Government and mentioned in the Schedule. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

(15) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-men to enable Excise Officers to examine spathes or incisions as the case may be.

(16) The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy, but such carts shall not be impressed for Government work.

(17) The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy-producing trees and for the drawing of toddy therefrom :—

1. Tree-tapping licenses in the prescribed form shall be issued on the application—
   (*a*) of licensed toddy shop-keepers or of their duly authorized agents ;
   (*b*) of toddy shop-keepers or renters in the Madras Presidency ; and
   (*c*) of tree-owners in coffee estates, hittals and kans in malnad free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 28th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

   The licenses may be issued in the name of the applicant himself or of his nominee.
2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.
3. The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules, and will obtain a transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules.
4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked in token of his consent. Applications for tree-tapping licenses for trees in the State Forests and Plantations should be countersigned by the Forest Range Officer in token of his consent.
5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector, or, in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.
6. No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.
7. For all toddy-yielding trees, tree-tapping licenses shall be annual from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. Provided that no toddy shall be removed from the trees except during the currency of such license.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 7993, dated 23rd March 1910.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs, and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1910 and ending 30th June 1911 will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidder will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from, each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Resales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

* Deposits may be in cash or other approved security.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind.

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

2. The limits within which sales under any Excise or Opium licenses may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited except with the special permission of the Deputy Commissioner.

Note 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officer authorized by him, subject to the approval of the particular site selected.

Note 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days from the date of sale.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the Depot or Shop and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 5,000 and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and the shop shall not be used as a place of residence save by the vendor and his family or caretakers.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavoring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. The Deputy Commissioner may, where necessary, call for the names of all persons employed or proposed

to be employed in depots or shops and forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M., except under special authority. In the cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a Regiment or Detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards, or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or independent Brigade) or the Officer commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(1) to sailors of the Royal Navy, soldiers and the members of their families, or

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) child under 16 years of age;

(3) insane person; or

(4) person known or believed to be intoxicated.

16. No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission, which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium License outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must

be maintained therein. Shops not opened by 1st July shall be liable to be resold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

20. No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.*

21. No liquor, intoxicating drug or opium in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.†

22. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The account and permit books may be obtained from the local Excise Officers on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, intoxicating drugs or opium received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by any Excise Officer not below the rank of an Assistant Inspector.

23. Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

24. Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

25. Any officer of the Excise Department of rank not lower than Sub-Inspector is authorised to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licensees, and to call for and check the accounts kept in the shop or depot. Police Officers will also make inspections when it comes within the scope of their duty.

26. An inspection notebook, with the pages numbered consecutively, for inspecting officers to enter their remarks in shall be maintained, and be handed over to the Excise Inspector in charge of the Range or any officer authorised by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

NOTE.—In the malnad and semi-malnad taluks, the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

30. Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

31. In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist by the end of the month for which it is due, the Amildar with the sanction of the Deputy

Commissioner by record in writing and after suspending the license shall resell on the 1st of the month following (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser, or the privilege may be otherwise disposed of at the Deputy Commissioner's discretion. All lossess on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending resale or other disposal of the privilege.

32. Interest on all moneys due shall be payable at the rate of one pie per rupee per mensem or part thereof.

33. Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

either (*a*) fine up to Rs. 50;
or (*b*) forfeiture of deposits, if any, and cancellation of license and resale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

34. Any license may be forfeited and the privilege be resold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the *Excise Regulation or Opium Act* or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

35. Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise or Opium Laws or of engagements entered into by them and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

36. Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

37. With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

38. All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium Laws and, if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

39. No licensee shall have claim to any compensation or remission on account of any arrangements which may be made in regard to liquors or intoxicating drugs other than those to which his license relates.

40. No licensee of any one kind of liquor shop shall, during the term of such license, have any interest in the exclusive privilege of vending any other kind of liquors within five miles from it nor shall he permit any person having such interest to hold any share or interest in his exclusive privilege.

(2) For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands; provided where such trees are situated close to or within the area of any other shop not worked by him, the previous sanction of the District Excise Officer should be obtained before applying for a license to tap the same. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same.

(3) No toddy except the produce of trees for the tapping of which a license has been issued shall be kept in the shop or offered for sale or sold.

(4) The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

(5) If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation.

(6) In case of default, the Amildar with the Deputy Commissioner's permission, or other officer appointed for the purpose by the Deputy Commissioner, will order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter continues to tap the trees, he will be prosecuted for illicit tapping.

(7) Tree-rent at Re. 0-4-3 per annum shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore.

(*f*) Every fresh incision shall not be less than one foot above the last incision except in localities where permission is specially given.

(*h*) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(*i*) The licensee or his employer will be liable to pay a fine of one rupee for each tree in excess of three per cent of the number of trees marked for him, which may die from overtapping or careless tapping either during the lease or within six months after its expiration.

He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(*j*) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that Department may require to cut down or strip of their leaves or branches.

(k) When the licensee makes default and his shop is re-sold, his rights to and claims on Government trees cease and determine.

(9) The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope-making, basket-making, or for agricultural or other purposes when they make use of the trees assigned for such purposes, and not reserved for tapping.

(10) Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(11) The distillation of spirit from toddy is absolutely prohibited.

(12) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized in this behalf.

(13) Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorised by the rules, are strictly prohibited. Provided, however, that in Bagani tracts, the licensee who has purchased the right of vend of Bagani toddy, may permit the tapping of Bagani trees for domestic consumption as well as for sale within the limits of the village purchased by him.

(14) The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the retail rates fixed by Government and mentioned in the Schedule. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

(15) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-man to enable Excise Officers to examine spathes or incisions as the case may be.

The licenses may be issued in the name of the applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules; and will obtain a transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in

token of his consent. Applications for tree-tapping licenses for trees in the State Forest and plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector, or in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6. No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

7 For all toddy-yielding trees, tree-tapping licenses shall be annual, from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. Provided that no toddy shall be removed from the trees except during the currency of such license.

8. The following shall be the fees payable on account of each tree for the tapping of which license is applied for :—

* Gold Fields Magistrate's Court.

† Deputy Amildar's office.

Notification No. 7994, *dated* 26*th March* 1910.

NOTICE OF SALE OF DATE TODDY SHOPS FOR A PERIOD OF TWO YEARS FROM 1910 TO 1912.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose and published in the Schedule during the two years beginning 1st July 1910 and ending 30th June 1912, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer, on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. (*a*) The shops will be put up to public auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. The upset price at which the shop or shops will be put up to auction will be the average of the three previous years' rentals. This price will not be lowered; and if there are no bids for or above the upset price, the shop or shops will generally be sold for a period of one year only, and then the conditions applicable to the annual lease of toddy shops by auction will apply to these shops also.

(*b*) The Deputy Commissioners have full discretion to work the scheme of the two years' lease if the rentals realized for the whole taluk is not less than the average of the three previous years' rentals, though individual shops may not fetch a rental equal to the average of its three previous years' rentals.

(*c*) The rentals and the consumption of the previous three years together with their average will be published for the information of bidders.

(*d*) The privilege in any coffee estate may be sold to the planter for a fixed amount not less than Rs. 12 per shop per annum.

(*e*) Toddy shops in alienated villages whose claims to the Excise Revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances, limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an

acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons, and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit * of one month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit * such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of a purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from, each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Resales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

* Deposits may be in cash or other approved security.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for toddy licenses :—

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants, and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

(2) The limits within which sales under any Excise or Opium licenses may be carried on, will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited, except with the special permission of the Deputy Commissioner.

NOTE 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officer authorized by him, subject to the approval of the particular site selected.

NOTE 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days from the date of sale.

(3) Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop, and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in municipalities or towns having a population of 5,000, and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door, and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day, and the shop shall not be used as a place of residence, save by the vendor and his family or care-takers.

(4) Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

(5) A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

(6) All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorized to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

(7) The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease, and the employment of such persons in shops or depots for the sale of the same are prohibited. The Deputy Commissioner may, where necessary, call for the names of all persons employed or proposed to be employed in depots or shops and forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

(8) No depot or shop shall be opened before sunrise or kept open after 9 P.M. except under special authority. In the cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

(9) No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

(10) No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

(11) No person shall be harboured in any depot or shop during the night.

(12) Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a regiment or detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall, on his own motion, close his depot or shop when there is riot or disturbance in the neighbourhood.

(13) The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

(14) The right is reserved to the Deputy Commissioner to grant "occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

(15) No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license.

(1) to sailors of the Royal Navy, soldiers and the members of their families, or

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments,

(2) to policemen, Excise officers and Railway servants when on duty; or,

(*c*) in any circumstances, to any—

(1) European vagrant under escort of the Police;

(2) child under sixteen years of age.,

(3) insane person; or

(4) person known or believed to be intoxicated.

(16) No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission which will only be given if *the applicant* is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

(17) No holder of any Excise or Opium license will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium license outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

(18) Depots and shops must be kept open unless their temporary or permanent closure is authorized under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. Shops not opened by 1st July shall be liable to be resold at the risk of the licensees.

(19) No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit

sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

(20)* No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.

(21)† No liquor, intoxicating drug or opium in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.

(22) True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The account and permit books may be obtained from the Local Excise Officers on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, intoxicating drugs or opium received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by any Excise Officer not below the rank of an Assistant Inspector.

(23) Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

(24) Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

(25) Any officer of the Excise Department of rank not lower than Sub-Inspector is authorized to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licenses, and to call for and check the accounts kept in the shop or depot. Police Officers will also make inspections when it comes within the scope of their duty.

(26) An inspection note book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained and be handed over to the Excise Inspector in charge of the Range or any officer authorized by him to receive it on a receipt being given therefor.

(27) The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

NOTE.—In the malnad and semi-malnad taluks the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

(28) No remission or abatement of the rent shall be claimable on any account whatever.

(29) Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

(30) Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

(31) In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist by the end of the month for which it is due, the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall resell on the 1st of the month following (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of at the Deputy Commissioner's discretion. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending resale or other disposal of the privilege.

(35) Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise Opium Laws or of engagements entered into by them, and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

(36) Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(*j*) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that Department may require to cut down or strip of their leaves or branches.

   The licenses may be issued in the name of the applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6. No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

7. For all toddy-yielding trees, tree-tapping licenses shall be annual from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. 3. The purchaser will be required to deposit twenty-five per cent of the purchase money at the time of sale, and where the remainder of the purchase money may not be paid within fifteen days from the day of sale, the money so deposited shall be liable to forfeiture.

4. When such deposit shall not be made, nor the remaining purchase money paid up, the lands shall be resold at the expense and risk of the first purchaser.

5. Persons bidding at the sale may be required to state whether they bid on their own account or as agents, and in the latter case to deposit a written authority signed by their principals, otherwise their bids may be rejected.

6. The sale shall be stayed, if the defaulters or any other person acting on their behalf or claiming an interest in the land, tender the full amount of the arrears of revenue with the interest and other charges, before the property is knocked down or give satisfactory proof that the amount of arrears, etc., has been paid up or furnish security under Section 170 of the Mysore Land Revenue Code.

7. Purchaser having completed the payment of the purchase money will, as soon as the sale has been confirmed, be placed in immediate possession, and the village will be registered in the name of the purchaser, and a certificate of sale, signed and sealed by the Deputy Commissioner, will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description or in estimated extent.

8. Provided, parties deeming themselves aggrieved by the sale shall be at liberty to appeal to the Government within ninety days from the day of sale, and the purchase shall be conditional on the final order in such appeal.

EXCISE DEPARTMENT.

Notice No. 8397, *dated 5th April* 1910.

It is hereby notified for the information of the public that *black paint* will be used for marking toddy-yielding trees licensed to be tapped in the Mysore State during the official year 1910-11.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 7993, dated 23rd March 1910.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs, and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1910 and ending 30th June 1911 will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidder will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from, each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Resales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

* Deposits may be in cash or other approved security.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind.

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

2. The limits within which sales under any Excise or Opium licenses may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited except with the special permission of the Deputy Commissioner.

Note 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officer authorized by him, subject to the approval of the particular site selected.

Note 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days from the date of sale.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the Depot or Shop and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 5,000 and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and the shop shall not be used as a place of residence save by the vendor and his family or caretakers.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavoring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. The Deputy Commissioner may, where necessary, call for the names of all persons employed or proposed

to be employed in depots or shops and forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M., except under special authority. In the cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a Regiment or Detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards, or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or independent Brigade) or the Officer commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(1) to sailors of the Royal Navy, soldiers and the members of their families, or

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) to Policemen, Excise Officers and Railway servants when on duty; or,

(*c*) in any circumstances, to any—

(1) European vagrant under escort of the Police;

(2) child under 16 years of age;

(3) insane person; or

(4) person known or believed to be intoxicated.

16. No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission, which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium License outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must

be maintained therein. Shops not opened by 1st July shall be liable to be resold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

20. No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.*

21. No liquor, intoxicating drug or opium in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.†

22. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The account and permit books may be obtained from the local Excise Officers on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, intoxicating drugs or opium received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by any Excise Officer not below the rank of an Assistant Inspector.

23. Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

24. Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

25. Any officer of the Excise Department of rank not lower than Sub-Inspector is authorised to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licensees, and to call for and check the accounts kept in the shop or depot. Police Officers will also make inspections when it comes within the scope of their duty.

26. An inspection notebook, with the pages numbered consecutively, for inspecting officers to enter their remarks in shall be maintained, and be handed over to the Excise Inspector in charge of the Range or any officer authorised by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

NOTE.—In the malnad and semi-malnad taluks, the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

30. Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

31. In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist by the end of the month for which it is due, the Amildar with the sanction of the Deputy

Commissioner by record in writing and after suspending the license shall resell on the 1st of the month following (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser, or the privilege may be otherwise disposed of at the Deputy Commissioner's discretion. All lossess on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending resale or other disposal of the privilege.

32. Interest on all moneys due shall be payable at the rate of one pie per rupee per mensem or part thereof.

33. In fraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

either (*a*) fine up to Rs. 50;
or (*b*) forfeiture of deposits, if any, and cancellation of license and resale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

34. Any license may be forfeited and the privilege be resold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the *Excise Regulation or Opium Act* or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

35. Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise or Opium Laws or of engagements entered into by them and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

36. Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

37. With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

38. All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium Laws and, if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

39. No licensee shall have claim to any compensation or remission on account of any arrangements which may be made in regard to liquors or intoxicating drugs other than those to which his license relates.

40. No licensee of any one kind of liquor shop shall, during the term of such license, have any interest in the exclusive privilege of vending any other kind of liquors within five miles from it nor shall he permit any person having such interest to hold any share or interest in his exclusive privilege.

XX. Conditions applicable to Arrack Licenses.

1. The privilege conferred by the license extends only to the sale of arrack ordinarily of the strength of 25° U. P. and with the special permission of the Deputy Commissioner to the sale of spirits of other strengths. In places where there are no shops for the vend of foreign liquors or special liquors manufactured in the Government Central Distillery at Bangalore or where the foreign liquor shop-keepers do not undertake to sell the special or double distilled liquors of such strength as may be fixed by the Excise Commissioner, the holder of the arrack shop license of approved character may, with the sanction of the Excise Commissioner, be permitted to sell the same in duly corked sealed bottles not to be drunk on the

premises subject to conditions otherwise applicable to the sale of arrack. Similarly in places where separate shops are not licensed for the sale of sugar-cane jaggory arrack or special liquors, the arrack shop-keeper may be permitted to sell jaggory arrack in reputed pint or quart bottles.

2. Spirits shall be purchased only from the Bonded Depots established by Government at the following rates:—

(1) Palmyra jaggory and molasses arrack at Re. 0-13-2 per gallon of 25° U. P.

(2) Sugar-cane jaggory arrack of 25° U. P. in reputed quart and pint bottles duly corked and sealed at Rs. 2-2-7 and Rs. 2-10-7, respectively, per gallon or at such other price as may be fixed from time to time.

(3) Special liquors referred to above, at such prices as may be fixed by the manufacturers.

(4) The quantities purchased at one time shall not fall below one gallon of arrack or three bottles or six pints of other kinds of liquors.

(5) The above prices to be charged for palmyra jaggory and molasses arrack, sugar-cane jaggory arrack and special liquors, are in addition to the Excise duty which shall be prepaid at the prescribed rate of Rs. 4-12-0 per gallon of 25° U. P. and proportionately at higher or lower strengths before the removal of the liquor from the Bonded Depot.

(3) The licensee shall pay the above duty and price into a Taluk Treasury or to a special shroff, if any, appointed on this behalf at the cost of Government, and located at the Taluk Cutcherry to receive such duty and price *daily* including Sundays and holidays or to such other officer as may be appointed by the Deputy Commissioner, and shall obtain a receipt in the prescribed printed form. On production of such receipt the Bonded Depot-keeper shall issue the quantity of liquor equal to the amount of duty and price shown in the said receipt which will be forwarded to the Deputy Commissioner's office under the endorsement of the Bonded Depot-keeper aforesaid, as to the date and hour when the liquor was issued. The Depot-keeper aforesaid shall issue a pass in the prescribed form for the transport of liquor from the Bonded Depot. He shall also issue sample bottles with the consignments in such manner as may be ordered by the Excise Commissioner.

(4) The licensee shall sell palmyra jaggory and molasses arrack to the public at Rs. 6-6-0 per gallon of 25° U. P. (*i. e.*, at annas two per dram which is equal to 1—51st part of a gallon) and sugar-cane jaggory arrack at not less than Rs. 1-3-10 per reputed quart bottle or at such other price as may be fixed from time to time and at proportionate rates for lower strengths.

(5) The licensee shall be bound to take over any liquor which may remain as stock in hand belonging to the out-going licensee on 1st July 1910, in the shop, paying him such compensation for the same as may be fixed by the Excise Commissioner.

But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date toddy shop shall not tap Bagani trees and the licensee of the Bagani toddy shop shall not tap Date trees; but both licensees can tap any of the other palm trees named above.

(2) For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands; provided where such trees are situated close to or within the area of any other shop not worked by him, the previous sanction of the District Excise Officer should be obtained before applying for a license to tap the same. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same.

(3) No toddy except the produce of trees for the tapping of which a license has been issued shall be kept in the shop or offered for sale or sold.

(4) The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

(5) If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation.

(6) In case of default, the Amildar with the Deputy Commissioner's permission, or other officer appointed for the purpose by the Deputy Commissioner, will order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter continues to tap the trees, he will be prosecuted for illicit tapping.

(7) Tree-rent at Re. 0-4-3 per annum shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore.

NOTE.—No trees on Government occupied land can be tapped without the consent of the owner. The present arrangements as regards trees in alienated land will hold good, subject, of course, to the levy by Government of tree-tax.

(8) The tapping of date trees is subject to the following conditions :—

(*a*) Date trees shall be tapped only by professional men.

(*b*) Trees tapped one year shall not ordinarily be tapped the next year.

(*c*) Trees shall not be overtapped or overworked.

(*d*) In no date trees shall the initial incision be made at any point less than three feet from the ground except in places where permission is specially given by the Deputy Commissioner.

(*f*) Every fresh incision shall not be less than one foot above the last incision except in localities where permission is specially given.

(*g*) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters, on that face of the tree on which the incision is made.

(*h*) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(*i*) The licensee or his employer will be liable to pay a fine of one rupee for each tree in excess of three per cent of the number of trees marked for him, which may die from overtapping or careless tapping either during the lease or within six months after its expiration.
He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(*j*) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that Department may require to cut down or strip of their leaves or branches.

(*k*) When the licensee makes default and his shop is re-sold, his rights to and claims on Government trees cease and determine.

(9) The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope-making, basket-making, or for agricultural or other purposes when they make use of the trees assigned for such purposes, and not reserved for tapping.

(10) Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(11) The distillation of spirit from toddy is absolutely prohibited.

(12) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized in this behalf.

(13) Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorised by the rules, are strictly prohibited. Provided, however, that in Bagani tracts, the licensee who has purchased the right of vend of Bagani toddy, may permit the tapping of Bagani trees for domestic consumption as well as for sale within the limits of the village purchased by him.

(14) The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the retail rates fixed by Government and mentioned in the Schedule. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

(15) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-man to enable Excise Officers to examine spathes or incisions as the case may be.

(16) The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy, but such carts shall not be impressed for Government work.

(17) The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy-producing trees and for the drawing of toddy therefrom :—

1. Tree-tapping licenses in the prescribed form shall be issued on the application—

(*a*) of licensed toddy shop-keepers or of their duly authorized agents;

(*b*) of toddy shop-keepers or renters in the Madras Presidency; and

(*c*) of tree-owners in coffee estates, hittals and kans in malnad free of the prescribed tree-tax for drawing toddy for *bonâ fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 28th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

The licenses may be issued in the name of the applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules; and will obtain a transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in

token of his consent. Applications for tree-tapping licenses for trees in the State Forest and plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector, or in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6. No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

7 For all toddy-yielding trees, tree-tapping licenses shall be annual, from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. Provided that no toddy shall be removed from the trees except during the currency of such license.

* Gold Fields Magistrate's Court.

† Deputy Amildar's office.

Notification No. 7994, *dated* 26*th March* 1910.

NOTICE OF SALE OF DATE TODDY SHOPS FOR A PERIOD OF TWO YEARS FROM 1910 TO 1912.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose and published in the Schedule during the two years beginning 1st July 1910 and ending 30th June 1912, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the Taluk Head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. (*a*) The shops will be put up to public auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. The upset price at which the shop or shops will be put up to auction will be the average of the three previous years' rentals. This price will not be lowered; and if there are no bids for or above the upset price, the shop or shops will generally be sold for a period of one year only, and then the conditions applicable to the annual lease of toddy shops by auction will apply to these shops also.

(*b*) The Deputy Commissioners have full discretion to work the scheme of the two years' lease if the rentals realized for the whole taluk is not less than the average of the three previous years' rentals, though individual shops may not fetch a rental equal to the average of its three previous years' rentals.

(*c*) The rentals and the consumption of the previous three years together with their average will be published for the information of bidders.

(*d*) The privilege in any coffee estate may be sold to the planter for a fixed amount not less than Rs. 12 per shop per annum.

(*e*) Toddy shops in alienated villages whose claims to the Excise Revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances, limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an

acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons, and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit * of one month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit * such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of a purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from, each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Resales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

* Deposits may be in cash or other approved security.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for toddy licenses :—

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants, and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

(2) The limits within which sales under any Excise or Opium licenses may be carried on, will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited, except with the special permission of the Deputy Commissioner.

NOTE 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officer authorized by him, subject to the approval of the particular site selected.

NOTE 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days from the date of sale.

(3) Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop, and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in municipalities or towns having a population of 5,000, and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door, and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day, and the shop shall not be used as a place of residence, save by the vendor and his family or care-takers.

(4) Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

(5) A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

(6) All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorized to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

(7) The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease, and the employment of such persons in shops or depots for the sale of the same are prohibited. (8) No depot or shop shall be opened before sunrise or kept open after 9 P.M. except under special authority. In the cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

(11) No person shall be harboured in any depot or shop during the night.

(12) Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a regiment or detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall, on his own motion, close his depot or shop when there is riot or disturbance in the neighbourhood.

(13) The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

(14) The right is reserved to the Deputy Commissioner to grant "occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

(15) No liquor, intoxicating drug or opium shall be sold or given—

(16) No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

(17) No holder of any Excise or Opium license will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium license outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

(18) Depots and shops must be kept open unless their temporary or permanent closure is authorized under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. Shops not opened by 1st July shall be liable to be resold at the risk of the licensees.

(19) No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit

sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

(20)* No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.

(23) Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

(24) Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

(25) Any officer of the Excise Department of rank not lower than Sub-Inspector is authorized to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licenses, and to call for and check the accounts kept in the shop or depot. Police Officers will also make inspections when it comes within the scope of their duty.

(26) An inspection note book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained and be handed over to the Excise Inspector in charge of the Range or any officer authorized by him to receive it on a receipt being given therefor.

(27) The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

NOTE.—In the malnad and semi-malnad taluks the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

(28) No remission or abatement of the rent shall be claimable on any account whatever.

(29) Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

(30) Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

(31) In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist by the end of the month for which it is due, the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall resell on the 1st of the month following (close holidays excepted), the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of at the Deputy Commissioner's discretion. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending resale or other disposal of the privilege.

(32) Interest on all moneys due shall be payable at the rate of one pie per rupee per mensem or part thereof.

(33) Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

either (*a*) fine up to Rs. 50;

or (*b*) forfeiture of deposits, if any, and cancellation of license and resale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

(34) Any license may be forfeited and the privilege be resold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the $\frac{\text{Excise Regulation}}{\text{Opium Act}}$ or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

(35) Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise Opium Laws or of engagements entered into by them, and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

(36) Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

(37) With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

(38) All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium Laws, and, if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

(39) No licensee shall have claim to any compensation or remission on account of any arrangements which may be made in regard to liquors or intoxicating drugs other than those to which his license relates.

(40) No licensee of any one kind of liquor shop shall, during the term of such license, have any interest in the exclusive privilege of vending any other kind of liquors within five miles from it nor shall he permit any person having such interest to hold any share or interest in his exclusive privilege.

XX. Conditions applicable to Toddy Licenses.

(1) The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, and Cocoanut toddy.

(2) For the supply of toddy to his shops, the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands; provided where such trees are situated close to or within the area of any other shop not worked by him, the previous sanction of the District Excise Officer should be obtained before applying for a license to tap the same. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same.

(3) No toddy except the produce of tree for the tapping of which a license has been issued shall be kept in the shop or offered for sale or sold.

(4) The licensee shall be responsible to Government for all payments of instalment of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

(5) If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation.

(6) In case of default, the Amildar with the Deputy Commissioner's permission, or other officer appointed for the purpose by the Deputy Commissioner, will

order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter continues to tap the trees, he will be prosecuted for illicit tapping.

(7) Tree-rent at Re. 0-4-3 per annum shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore.

NOTE.—No trees on Government occupied land can be tapped without the consent of the owner. The present arrangements as regards trees in alienated land will hold good, subject, of course, to the levy by Government of tree-tax.

(8) The tapping of date trees is subject to the following conditions:—

(*a*) Date trees shall be tapped only by professional men.

(*b*) Trees tapped one year shall not ordinarily be tapped the next year.

(*c*) Trees shall not be overtapped or overworked.

(*f*) Every fresh incision shall not be less than one foot above the last incision except in localities where permission is specially given.

(*g*) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters, on that face of the tree on which the incision is made.

(*h*) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(*i*) The licensee or his employer will be liable to pay a fine of one rupee for each tree in excess of three per cent of the number of trees marked for him, which may die from overtapping or careless tapping either during the lease or within six months after its expiration. He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(*j*) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that Department may require to cut down or strip of their leaves or branches.

(*k*) When the licensee makes default and his shop is resold, his rights to and claims on Government trees cease and determine.

(9) The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope-making, basket-making or for agricultural or other purposes when they make use of the trees assigned for such purposes and not reserved for tapping.

(10) Deputy Commissioners may, subject to the orders of the Excise Commissioner, from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(11) The distillation of spirit from toddy is absolutely prohibited.

(12) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. (13) Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorized by the rules, are strictly prohibited.

(14) The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the retail rates fixed by Government and mentioned in the Schedule. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

(15) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-men to enable Excise Officers to examine spathes or incisions as the case may be.

(16) The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy, but such carts shall not be impressed for Government work.

(17) The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy-producing trees and for the drawing of toddy therefrom :—

1. Tree-tapping licenses in the prescribed form shall be issued on the application—
   (a) of licensed toddy shop-keepers or of their duly authorized agents ;
   (b) of toddy shop-keepers or renters in the Madras Presidency ; and
   (c) of tree-owners in coffee estates, hittals and kans in malnad free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 28th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

   The licenses may be issued in the name of the applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules, and will obtain a transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked in token of his consent. Applications for tree-tapping licenses for trees in the State Forests and Plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector, or, in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6. No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

7. For all toddy-yielding trees, tree-tapping licenses shall be annual from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. Resolution.—Passed.

2. Read cash account current; demand, collection and balance statements; mortuary return; progress report of works; City Municipal Kannada Schools returns; Langarkhana return; statement of rewards for the destruction of dogs and rats; and return of prosecutions for January 1910, together with the Auditor's further report since received.

Resolution.—Passed.

3. Read memo of subjects dealt with by Mr. A. S. Nagavkar, ex-Municipal President, in his deputation report, on which the opinion of the Council is required.

The opinion of the Council is recorded against each suggestion as follows :—

SUGGESTION.	RESOLUTION.
I.—Para 5 of Mr. Nagavkar's report.	
(1) The desirability of forming several Committees among the Municipal Councillors in connection with various items of Municipal Administration, such as (1) Sanitation, (2) Public Works, (3) Education, (4) General Administration, etc., with a view to distribute the work of Municipal Administration among the Councillors so that they may take real interest in it.	The City Improvement Committee will answer the purpose for (1) and (2). There is a Committee for (3). A separate Managing Committee may be formed for purposes of General Administration under Section 27 of the Municipal Regulation.
(2) The Council appointing their own President every year.	Provision exists for this in the Municipal Regulation.
(3) The desirability of taking on the Council the District Civil Surgeon, the District Superintendent of Police and the Education Inspector.	Municipal Regulation provides for the attendance of these officers in the Council whenever required.
II.—Para 7 of the report.	
The necessity for the employment of a Surveyor in the Municipality and to get the City surveyed every five years in order to check and prevent the encroachment upon Municipal land.	It is absolutely necessary to have a Surveyor for the City to get the City surveyed once in five years.
III.—Paras 8 to 11.	
The desirability of increasing the Octroi revenue by including in the list of dutiable articles some additional articles of consumption, luxury, etc.	There is no necessity to add to the already existing list of dutiable articles.
IV.—Para 14.	
Necessity for keeping one or two fire-engines.	The necessity for a fire-engine is badly felt and one should be urgently supplied.
V.—Paras 17 to 29.	
To consider the question of having a comprehensive scheme of drainage consisting of under-ground drains suited to carry away night-soil also with sewage and sullage water, the open drains carrying away storm water.	The Sanitary Department is projecting a scheme for the drainage of the City.
VI.—Para 32.	
Necessity for the Police to co-operate with the Municipality in preventing the commission of nuisance in the streets and lanes, etc.	There is provision for this in the Police Regulation.
VII.—Para 33.	
The desirability of getting model houses built for poorer classes of people, such as mill-hands and other coolies, etc.	This suggestion may be adopted.

4. Read Government Proceedings No. 6044-54—Mi. 177-09-6, dated the 20th January 1910, directing the recovery of house and other taxes in two equal instalments in advance in Municipalities governed by Regulation No. VII of 1906.

Resolution.—The house and other taxes may be recovered in two equal instalments within the 30th June and the 31st December of each year, *but not in advance*, as such a system would work as a hardship, especially in the case of the poor.

5. Read General and Revenue Secretary's letter No. 4962—Ml. 352-09-5, dated the 9th December 1909, forwarding copy of the Sanitary Commissioner's letter No. 2105, dated the 17th November 1909 to raise the level of the land to the west of the Sydney Road, for consideration along with the question of deepening the Sampige tank in the City.

Resolution.—Deferred till a report is received from the Municipal Engineer.

2. In the meanwhile, the Health Officer will arrange to oil the swamp to prevent malaria.

3. Read Government Proceedings No. 7305—Ml. 100-09-2, dated the 23rd February 1910, directing that 20 ft. margin should be scrupulously adhered to in the case of future constructions of mandis in the new Tharagupet and in cases where less than 20 ft. has already been allowed, the rule should be brought into force in future reconstructions, with a view to secure uniform frontage to shops in the new Tharagupet.

Resolution.—Recorded.

4. Read Government Proceedings No. 7150-1—Ml. 471-08-3, dated 17th February 1910, granting an additional plot of ground for the compound of the City Transformer House 20 × 130 ft. on the north side and 119 × 130 ft. on the southern side.

Resolution.—May be sanctioned.

6. Read the Ganigarpet Dispensary Medical Officer's letter No. 28, dated the 23rd February 1910, furnishing statistics as regards the number of female patients treated in the dispensary for venereal diseases.

9. Reconsideration of the Council's resolution dated the 25th November 1909 in the matter of addressing the Civil and Military Station Municipality for the abolition of the system of paying rewards to those that impound cattle.

Resolved that Government be moved to sanction the payment of similar rewards in this Municipality also.

10. Reconsideration of the Council's resolution dated the 25th November 1909, regarding the publication of notices of Municipal meetings in the *Mysore Gazette.*

Resolution.—A reference may be made to Government for reconsideration.

11. Reconsideration of the Council's resolution dated the 23rd December 1909 in the matter of granting a reasonable refund to the President of the XX Deccan Horse Polo Club out of the lease amount of Rs. 200 paid by the Club for 1909-10 for the Sampige tank bed for polo playing.

Resolution.—The Council is of opinion that one-half of the lease amount may be refunded.

12. Read letter dated the 16th March 1910, from the Captain of the Bangalore Rifle Volunteers, requesting a liberal donation from the Municipal Council to the Volunteer Band to provide them with new instruments in order to play once in a fortnight in such public place in the City as may be selected by the Council, preferably the District Office compound.

Resolved that the question be deferred until some further information is obtained from the Captain of the Bangalore Rifle Volunteers.

Resolution.—Deferred.

14. Read letter No. 2173, dated the 11th March 1910, from the Chief Engineer in Mysore, forwarding, for the opinion of the Council, an extract from the Public Works budget for 1910-11 showing the works in the Bangalore City proposed to be undertaken during that year in connection with the annual special grant of one lakh of rupees allotted for the "Bangalore City Improvements."

Resolution.—Approved with the remark that Rs. 10,000 be reserved for City to carry out the resolutions of the City Improvement Committee, such as improvement of drains, etc.

15. Appointment of a Sub-Committee for auditing Municipal accounts for the quarter ending the 30th June 1910.

SANITARY.

CENTRAL SANITARY BOARD.

The following Resolutions of the Central Sanitary Board are published for general information :—

1. Read docket No. 7548—Ml. 459-05-10, dated the 31st January 1908, from the Secretary to Government of Mysore, General and Revenue Departments, requesting that the tracing plans, and estimate amounting to Rs. 4,267, for constructing a slaughter-house and sheep-pen at Bowringpet may be placed before the Central Sanitary Board for opinion.

Resolution dated the 20th February 1908.—

Resolved that the plan and estimate be approved. The wire netting provided is no protection against that scourge and most insanitary pest, the common fly, and in places where meat is likely to be exposed to their noxious influence, wire gauze screens may be provided instead of wire netting. The additional cost will be only about Rs. 9.

2. Read un-official file No. 142, dated the 1st April 1908 from the Secretary to Government, General and Revenue Departments, regarding the supply of water to Robertsonpet.

Resolution dated the 14th April 1908.—

Resolved that the scheme is a very urgent one and should be sanctioned at once, as otherwise it will effect the drainage works now in progress at Robertsonpet and consequently the health of the place.

3. Read letter No. 2818, dated 24th April 1908, from the Chief Engineer in Mysore, forwarding the project amounting to Rs. 70,000 for converting the Dharmambudhi tank bed into a park and constructing two Kalyanis, etc.

Resolution dated the 15th May 1908.—

Resolved that, in view of more important Sanitary projects to be carried out in the Bangalore City, the conversion of the Dharmambudhi tank bed into a park may be postponed for the present. The project for diverting the water that now flows into the tank may, however, be taken up so that the tank bed may be as dry as possible.

4. Read letter No. 3533, dated the 23rd May 1908, from the Chief Engineer in Mysore, forwarding a report in connection with supply of water to Government quarters and cooly lines at Robertsonpet.

Resolution dated the 17th July 1908.—

Resolved that the estimate be approved. The supply to the Masikam Cooly Colony may, however, be increased to 7½ gallons per head instead of only to 5 gallons.

5. Read letter No. 239, dated the 29—30th October 1908, from the Chairman of the Board of Trustees, Mysore City Improvements Division, forwarding an estimate amounting to Rs. 17,135, for the drainage and other works in the new extension to the east of the Viceroy Road, called the "Lakshmipuram Extension."

Resolution dated the 26th December 1908.—

Resolved that the scheme is a most necessary one and should be carried out as soon as possible. The flushing tanks should be built of the revised type approved by the Sanitary Commissioner and covered in.

As most of the houses in the extension are yet to be constructed, provision should be made for carts, etc., to cross the drains, so that there may be no risk of their being damaged.

6. Read letter No. 2948—Sany. 92-08-2, dated 18th September 1908, from the Secretary to Government of Mysore, General and Revenue Departments, forwarding, for opinion of the Central Sanitary Board, papers relating to the filling up of Purnaiya's Nalla in the Mysore City.

Resolution dated the 3rd January 1909.—

Resolved that (1) the bed of the nalla may be properly countergraded, (2) the banks on either side be levelled so as to do away with all "cover," (3) latrines be provided, and (4) the water-supply of the locality be amply provided for.

7. Read letter No. 4148—Ml. 145-08-2, dated the 3rd November 1908, from the Secretary to the Government of Mysore, General and Revenue Departments, forwarding, for opinion of the Central Sanitary Board, project amounting to Rs. 6,990, for arching over Col. Purchase's drain in the Mysore City and filling in to ground level, received from the Chairman of the Board of Trustees, Mysore City Improvements Division.

Resolution dated the 4th January 1909.—

Resolved that the project be approved.

8. Read (1) Resolution dated the 15th May 1908 of the Central Sanitary Board recording that the project for the Bangalore City drainage main outfall and breaching of the Sunkal Tank is one of the more important items of work to be undertaken at once.

(2) Letter No. 4207, dated the 25th June 1908, from the Chief Engineer in Mysore, forwarding a project amounting to Rs. 77,711 for the above works.

(3) Correspondence ending with letter No. 7163, dated the 14th November 1908, from the Chief Engineer, forwarding copy of the memorandum drawn up by the Sanitary Engineer to Government embodying a general resume of work done and current proposals in connection with the disposal of storm water and the lowering of the subsoil water in the Bangalore City.

(4) Memorandum No. 6079, dated the 14th December 1908, by the Revenue Commissioner in Mysore, stating among other things that he is strongly of opinion that the Sunkal Tank is situated sufficiently low with reference to the inhabited area of the city, that the outfall storm water drain can have sufficient fall without breaching the tank and that therefore it is unnecessary to incur much of the large outlay on the subsidiary works till *the effect of* the other improvements on the level of the subsoil water and the sanitation of the city is felt.

Resolution dated 18th December 1908.—

Resolved that in view of the fact that the high water floods would swamp the filters and works generally were the bund not lowered so as to actually drain the tank, the project be passed subject to further scrutiny by the Public Works Department as regards the data furnished relating to the different levels.

9. Read letter No. 704, dated 29th January 1909, from the Chief Engineer in Mysore, forwarding a project amounting to Rs. 32,500, for opening out conservancy lanes, acquiring insanitary houses, and laying out new house sites in Chikmagalur as a preliminary to the preparation and adoption of a detailed sewage scheme for the town.

Resolution dated 6th April 1909.—

Resolved that the project be approved, the procedure recommended being sound, and as drainage is impossible till the re-alignment of houses proposed has been carried into effect, while the re-alignment alone will be of the greatest advantage to the town.

(2) *Resolved* further that the final project for the drainage and construction of sewers which is roughly estimated at Rs. 50,000 be prepared as early as possible and forwarded for sanction.

10. Read letter No. 1701—Ml. 5-08-7, dated the 18th August 1908, from the Secretary to the Government, General and Revenue Departments, forwarding plan and estimate amounting to Rs. 4,098 for constructing a bullock slaughter-house at Channapatna, received from the President of Municipalities in the Bangalore District, and requesting to be furnished with the Board's opinion together with their resolution.

(2) Letter No. 6736—Ml. 5-08-9, dated 19th January 1909, from the same officer requesting to be informed whether the cost cannot be reduced by reducing the size of the slaughter-house.

(3) Correspondence ending with letter No. 3751, dated 10th May 1909, from the Chief Engineer, forwarding two alternative estimates one for Rs. 3,600 providing a building with armoured concrete roof.

Resolution dated 23rd June 1909.—

1. *Resolved* that the estimate with brick masonry walls and armoured concrete roof at a cost of Rs. 3,828 as revised, be approved. Particular attention to be paid to details of construction such as rounded angles to door openings, cemented walls and provision of meat hooks.

2. *Resolved* also that the size of the slaughter-house cannot be reduced consistently with efficiency.

11. Read letter No. 7124, dated the 23rd September 1909, from the Chief Engineer in Mysore, forwarding a project amounting to Rs. 82,800 (with necessary accompaniments and his office notes) for improving Part II or the remaining blocks of No. III drainage area in the Mysore City.

Resolution dated the 27th November 1909.—

Resolved that the project be approved.

12. Read letter No. 7993, dated the 1st November 1909, from the Chief Engineer in Mysore, forwarding for approval of the Board a plan and estimate amounting to Rs. 8,407, received from the Chairman of the Board of Trustees Mysore City Improvements Division, for the supply of water to the Lakshmipuram extension.

Resolution dated 11th December 1909.—

Resolved that the plan and estimate for Rs. 8,407 be approved.

13. Read letter No. 7759, dated 19th October 1909, from the Chief Engineer in Mysore, forwarding a project amounting to Rs. 2,935 for constructing drains, etc., in the Jalapuri and Karnapura extensions of the Mysore City.

Resolution dated 27th December 1909.—

Resolved that the project be approved. It would perhaps be better to provide cement concrete drains in place of earthen channel, as it would prevent sullage water being absorbed and causing the surroundings insanitary.

14. Read letter No. 977, dated the 7th February 1908, from the Chief Engineer in Mysore, forwarding, for the opinion of the Board, a project amounting to Rs. 25,515, for improving the water-supply to the town of Closepet, prepared by the Executive Engineer, water-supply and Stores Division.

(2) Letter No. 2833 of the 12th May 1909, from the same officer, forwarding a comparative statement of the cost of the annual working charges of a sand-filter and a Jewell pressure filter (as at Harihar).

(3) Note dated the 16th June 1909, by the Sanitary Commissioner, stating that the point in the river selected by the Executive Engineer, at which the water is to be drawn for distribution in the town, would be suitable provided a drain is constructed somewhere along the line marked in the plan, so as to discharge the sewage from the area above the proposed site of the filter into the river below the bridge or into a well in the gardens there (below the bridge), whence the material might be baled out for irrigating the garden; and recommending as suitable for the purpose a box-drain for storm water with suitable secondary channel for sewage.

(4) Correspondence ending with letter No. 6283, dated the 24th August 1909, from the Officiating Chief Engineer in Mysore, forwarding, with reference to the question of water-supply to the town of Closepet, a project for the proposed restoration of the Bolappanahalli tank and stating that the supply from this tank would be adequate all the year round, after its improvement at an estimated cost of Rs. 28,000.

(5) Correspondence ending with D. O. dated the 10th March 1910, from the Executive Engineer, Water-supply and Stores Division, stating (1) that the question of using the

Bolappanahalli tank as the source of supply is not feasible, as there is not enough difference of level between the water level of the tank and the higher parts of the town; (2) that if this source of supply is adopted, the initial cost of the project will be increased by Rs. 17,340 as provision would have to be made for 11,560 feet of extra pumping main and (3) that in the project under consideration the engine provided for is incapable of pumping to the highest parts of the town, so that if at any time, the town should expand, the only things necessary would be to lay a branch line and build another balancing tank.

Resolution dated the 17th March 1910—

Resolved that every difficulty raised by the members of the Central Sanitary Board having been satisfactorily answered, the project for supplying water from the river Arkavati be approved and sent on to Government for sanction.

P. PALPU,
For *President, Central Sanitary Board.*

K. SRINIVASA RAO,
President.

Notification dated 6th May 1910.

It is hereby notified that the right of levying tolls on carts, entering the limits of the Town Municipality of Shimoga during a period of one year, from 1st July 1910 to 30th June 1911 will be put up to public auction at 12 noon on Monday the 6th June 1910, subject to conditions herein after described.

2. The sale will be conducted in the office of the President of the Town Municipality by the President or, in his absence from head-quarters, by the Vice-President of the Municipality.

3. The right shall be knocked down to the highest approved bidder and shall, in case the sale is conducted by the Vice-President, be subject to formal confirmation by the President who reserves to himself the power of accepting or rejecting any bid at his discretion without announcing any reasons for the same. The President further reserves to himself the power to dispose of the right by tenders or otherwise if the bids obtained at the auction are not considered satisfactory.

4. Persons intending to bid at the auction must attend in person or by a duly accredited agent. Every such person shall deposit beforehand a sum of Rs. 100 as earnest money. The deposits made by unsuccessful bidders will be returned at the close of the sale.

5. The successful bidder, hereinafter termed contractor, shall, on the sale being knocked down to him, at once deposit a sum sufficient to make up with his previous deposit one-twelfth of the amount of his bid and a further sum equal to two-twelfths of the bid amount on or before the 16th June 1910; and he shall also executo, before the said date, an agreement on stamped paper binding himself and heirs to observe the conditions hereinafter set forth. If default is made either in making the deposits or in executing the agreement as above the amounts, if any, already deposited, will be forfeited and the right to collect the toll shall be forthwith resold or otherwise disposed of by the President.

Conditions.

(1) The amount for which the right has been finally purchased shall be payable in equal monthly instalments commencing from July 1910. Each instalment shall be regarded as the rent for the month in respect of which it is payable and shall be paid into the Treasury on or before the 20th of the month. In case of default, the President shall be at liberty to suspend further collections of toll by the contractor, direct the forfeiture of the deposit made by him and dispose of the right to collect toll during the remaining period of the year by resale, tender or otherwise as he may deem fit. Such resale or other disposal shall be at the risk of the defaulting contractor, who shall not be entitled to any gain accruing thereby; but in case of loss he shall be liable to make good the deficiency between the amount payable for the period under the terms of his contract and the amount fetched by the resale or other disposal. In the latter case, *i.e.*, in case of loss, the forfeited deposit of the contractor, shall be taken towards the recoupment of such loss. Should, however, the forfeited deposit be greater than the loss by resale or other disposal, the whole of such deposit shall be credited to the Municipality.

(2) The deposit of three-twelfths of the bid amount made by the contractor shall be taken as a guarantee for the due fulfilment of the contract; and if not forfeited, shall be returned after a month after the expiry of the contract.

(3) No remission or abatement of rent or compensation on any account shall be claimable by the contractor.

(4) Interest at 6 per cent per annum shall be recoverable on all arrears from date of default.

(9) No toll shall be levied on carts on which Mohatarfa tax has been levied by the Municipality. Such carts will be numbered by the Vice-President of the Municipality, who will issue a pass therefor.

(10) The levy of tolls shall, generally, be subject to the conditions laid down in the late Chief Commissioner's Notification No. 274, dated 4th November 1876.

(11) An account of the daily collections at the several gates shall be maintained by the contractor; and at the end of every month a copy thereof shall be sent to the Vice-President for check. The account shall be open to inspection at all times by the President, Vice-President, Amildar of Shimoga Taluk or such other officer or councillor of the Municipality as the President may specially authorise on this behalf.

(12) The right shall not be transferred by sale gift or otherwise or sub-rented without the previous sanction of the President, who reserves to himself the right to reject any application therefor without assigning reasons.

(14) The contractor shall be held responsible for the due fulfilment of the terms of the contract; and in the event of any infringement of any of the conditions thereof, it shall be competent to the President to impose upon the contractor a fine not exceeding Rs. 50 for every such act of infringement. The fines so imposed shall be at once paid up by the contractor, and in case of default, it shall be competent to the President to suspend further collection of toll by the contractor and to dispose of the right to collect toll during the remaining period of the year by sale or otherwise as he may determine; such resale or other disposal being at the risk of the defaulting contractor in the manner explained in condition (1) *supra*.

CENTRAL SANITARY BOARD.

I. Read letter No. 5401—Ml. 459-05-18, dated the 21st December 1909, from the Secretary to Government, General and Revenue Departments, requesting that the revised plans and estimates amounting to Rs. 2,764 for the construction of a sheep slaughter house and a sheep pen at Bowringpet may be placed before the Central Sanitary Board for opinion.

Resolution No. 4, dated 8th April 1910—

Resolved that the revised plans and estimates amounting to Rs. 2,806 (as modified in the Chief Engineer's Office) be approved.

II. Read letter No. C. 238, dated the 29th October 1909, from the Chief Engineer in Mysore, forwarding for the approval of the Central Sanitary Board, plan and estimate amounting to Rs. 15,408 for filling the western side of the northern arm of Doddakere tank together with a copy of the resolution of the City Improvement Trust Board, dated the 29th September 1909.

Resolution No. 5, dated 20th April 1910—

Resolved that the filling of the portion of Doddakere indicated being a pressing necessity, the project be approved. The land would be more valuable if the feeder channel which now divides it in the middle were directed towards one end as indicated on plan by the line A B C marked in red pencil but its diversion would mean a loop that might be troublesome later on, though, of course, there are similar bends already on the same channel above the Pleasure Palace road. The project may therefore be sanctioned with or without the diversion as Government think fit.

2. The earth for filling should be obtained from the deeper parts of the existing tank as excavation at the tank margins would result in pools that will breed mosquitoes by the million.

MISCELLANEOUS.

OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE.

Subject.

Inspection notes of the Gubbi Sri Krishnaraja Paraspara Sahaya Sangha, Limited, by the Honorary Organizer of Co-operative Societies, Tumkur District, Mr. C. D. Ramaswamaiya, received with his docket No. 156, dated 10th May 1910.

Registrar's Review thereon—No. 1888 (*a*), *dated Bangalore*, 25*th May* 1910.

The operation of the Society at present extends over so many as 40 villages. The notes of inspection do not show from how many of these are the members of the society drawn; but however it is just possible that many of them are left without being touched by the society. For the purposes of effective co-operation it is not desirable that the area of operation should be so wide. An attempt will be made to group the villages into convenient blocks with a separate society for each block.

2. It is reported that the share amount of one deceased member Ganga Rao has not been returned to his heir or nominee. The committee should take the earliest opportunity to return this amount.

3. Mr. C. D. Ramaswamaiya brings to notice that the loan of one Channappaiya (a Committee member) has been due for more than two months, that the amount of loans outstanding on the date of inspection was Rs. 333, and that the society has not prescribed any limit for the amount of each loan. It is not only desirable that in the earlier stages of a society's existence there should be a limit for loans granted to individual members, but that a strict scrutiny should exist over cases of default. It is hoped that the committee will try their best to reduce the list of outstandings, as early as possible.

4. The society has not opened a deposit account in the Savings Bank to keep the surplus cash in. One should be opened now.

5. The Inspecting Officer is of opinion that the members of the committee should possess larger interest in the society by holding more shares than the rest. The Registrar thinks that this view is controversial and that there is no necessity to place any restriction upon the members to choose their committee of management irrespective of any shares taken up by them.

6. The Registrar is glad that Mr. C. D. Ramaswamaiya was instrumental in raising the sold-up shares of the society from 81 to 248 and the number of members from 31 to 77 ; but he regrets that he cannot approve of the method adopted for the purpose. To go round the town canvassing for shares and members is objectionable from a co-operative point of view as thereby undesirable men may get admission.

7. It is observable from the statements of accounts submitted with the notes of inspection, that the society's transactions have till now resulted in a loss of Rs. 27-6-4 to the society, and that the society as a whole has a claim for greater activity on the part of the managing body. The statements referred to above are appended.

8. As regards the other points mentioned in the notes of inspection, the necessity to have the Amildar as the President of the society does not appear to be great, nor is it very desirable. The Amildar may, however, continue to take interest in the progress of the society, with a non-official member as the President. There is no objection either to remunerate the Secretary or to employ a paid clerk, if the funds of the society allow.

9. The Registrar's acknowledgments are due to the Honorary Organizer Mr. C. D. Ramaswamaiya for the pains he has taken and the interesting notes of inspection he has submitted. The value of the notes would have been enhanced if they had been prepared in Kannada.
